

WAR TO THE LAST

COAL MINE OWNERS WILL KEEP UP THE FIGHT.

SAY MINERS MUST GIVE IN OPERATORS HOLD MEETING AND ISSUE A STATEMENT.

THE STRIKERS' SIDE OF IT GOMPERS SAYS UNIONS ARE ABLE TO HOLD OUT.

New York, Sept. 16.—A conference of the leading anthracite coal interests was held this afternoon at the Philadelphia and Reading company's offices. Those present included President Baer, of the Reading road; President Truesdale, of the Delaware, Lackawanna and Western; President Fowler, of the New York, Ontario and Western; President Walters, of the Lehigh Valley; President Olyphant, of the Delaware and Hudson; Irving Stearns, of Coxie Bros. & Co., and John Markle, of G. B. Markle & Co. The two last-named represented the independent operating interests in the hard coal industry.

The precise subjects of the conference could not be learned, but it was stated in advance of the meeting that no concessions would be granted, and that recent events of a semi-political character would not be seriously considered.

MARKLE IS EMPHATIC.

Following a meeting with J. T. Morgan, John Markle made this statement:

"I do not think it necessary to repeat that all talk of concessions on the part of the operators is foolish, and is certainly without foundation. Our position now is the same as when Mitchell made his original propositions, and no different than when the strike began.

"We said then that we would make no concessions and we repeat it now. There is no reason why this should not be understood. The operators have shown that they mean it, and I repeat it only by way of emphasis.

"There is just one way to end the strike—by the men returning to work, and every day they remain away by giving willing ear to Mitchell's specious promises will only entail further loss and suffering to them. Conditions are improving daily; more men are returning to work and more coal is being mined.

"So far as recent attempts at settlement are concerned, it is only necessary to add that every effort from Senator Hanna's down has been futile. We have defined our position and will maintain it."

MINERS HAVE FUNDS.

Wilkesbarre, Pa., Sept. 16.—Samuel Gompers, president of the American Federation of Labor, arrived in town this morning. He at once went to President Mitchell's headquarters, where he met National Treasurer Wilson and the district presidents of the United Mine Workers.

Mr. Gompers and the executive officers of the miners' union held a lengthy conference. Before he went to the meeting Mr. Gompers was asked what his mission here was. He replied that he came to confer with Mr. Mitchell and the other officers of the union regarding the strike. It was stated that after the conference a statement will be given out.

At 1 o'clock the conference adjourned for dinner. Mr. Gompers was the only one who would speak regarding the deliberations. He said the strike situation was discussed in all its phases; the finances were found to be in a good condition; the relief funds were coming in promptly, and there was no reason why the strike should not continue without inflicting any hardship on the strikers.

Mr. Gompers was asked whether it was proposed to levy an extra assessment in order to help the miners out. He declined to answer the question. He also refused to say whether the American Federation of Labor will be convened in extra session to take action on the strike.

SEVERES ARTERY IN HIS HEAD

HENRY STEMMER NEARLY BLEED TO DEATH.

Fell From a Fence on Some Broken Glass and Cut a Gash Several Inches Long.

Henry Stemmer, of 1414 Eliza street, a cigarmaker employed by Frank J. Gruber, had a narrow escape from death through loss of blood yesterday afternoon, and the accident would doubtless have had a fatal ending had it not been for the prompt arrival of a physician.

Mr. Stemmer was making some repairs to his fence yesterday when a board gave way, and he was precipitated head foremost into a heap of broken glass. A jagged edge of a broken bottle inflicted a gash about seven inches long in the top of his head, completely severing an artery. Mr. Stemmer was able to reach the house and a physician was hurriedly summoned.

The injured man lost a great quantity of blood and but for the timely services of a doctor, would have bled to death. Fifteen stitches were necessary to close the wound. Mr. Stemmer will be unable to resume work for some time.

INDIANA PEOPLE IN PERIL

MEXICANS THREATEN LIVES OF MISSIONARIES.

State Department Asks Protection for Mr. and Mrs. Morgan and Miss Linley.

Washington, Sept. 16.—The department of state has requested the Mexican embassy here to use its good offices in protecting the lives of Mr. and Mrs. Everett Morgan and Miss Sarah Linley, residents of Plainfield, Indiana, who are missionaries at Cotovol, Mexico. It is learned by the department that the natives of that place have threatened to take the lives of the party unless they shall leave by tomorrow. The missionaries have been in Cotovol about a year, having been sent there by the board of foreign missions. The Mexican embassy has forwarded the request to the authorities at Mexico, asking that steps be taken to protect the parties in question.

SKIN GRAFTING NECESSARY.

The physicians in attendance on Mrs. Adolph Grosjean, of Academie, who is a patient at St. Joseph hospital and slowly convalescent from an attack of blood poisoning, have found it necessary to resort to skin grafting in order to save the patient's limb. Some weeks ago Mrs. Grosjean dropped a pair of scissors on her foot, one of the points penetrating over an inch. Blood poisoning set in and she was brought to St. Joseph hospital, where she underwent a very severe operation. Relatives contributed several square inches of healthy cuticle, which was grafted on the affected limb, and the physicians state that Mrs. Grosjean will make a complete recovery.

WRIGHT WENS OUT.

Des Moines, Ia., Sept. 16.—R. E. Wright, of Allentown, Pa., was today elected deputy grand scribe by the sovereign grand lodge of Odd Fellows in session here. He was chosen on the second ballot after a heated contest, defeating W. S. Nye, of Minneapolis; E. S. Conway, of Chicago, and Massena Bullard, of Helena, Mont. The chief contest was over this office, as by custom the deputy grand scribe will be chosen grand scribe at the next meeting.

Mr. Wright is a brother of Mrs. Cassius C. Miller, of West Berry street, this city.

MUCH IS MYSTERY

IN DEATH OF NICHOLAS FISH, NEW YORK BANKER.

HAD TROUBLE IN A SALOON

LATER IS FOUND UNCONSCIOUS ON THE STREET.

THREE SUSPECTS ARRESTED FISH A DESCENDANT OF FINE OLD FAMILY.

New York, Sept. 16.—Nicholas Fish, millionaire, diplomat and descendant of one of the best known of American families, died at the Roosevelt hospital at 3:25 this morning, the result of an injury received in Erhardt's saloon, 205 West Thirty-fourth street, yesterday. Whether he was murdered or fell the police have not yet determined. Conflicting stories such as would naturally follow an event in which criminal responsibility must be placed are told, but there seems to be no doubt that Mr. Fish had a quarrel with a private detective named Thomas J. Sharkey, who joined the banker at a table where he had been for several hours drinking with Mrs. Libby J. Phillips and Mrs. Nellie Casey.

Mrs. Libby J. Phillips, thirty-eight years old; Mrs. Nellie Casey, thirty years old, and Thomas J. Sharkey, forty-eight years old, a private detective, were arrested early today in connection with the case.

According to the police Mr. Fish entered Erhardt's saloon, 205 West Thirty-fourth street, yesterday afternoon with Mrs. Phillips and Mrs. Casey. The police say that Mrs. Phillips knew who Fish was, but that neither Mrs. Casey nor Sharkey, who subsequently joined the party, were aware of his identity. Sharkey, who knew the women, was not reluctant to join the party when one of the women invited him to. The police say that Fish did most of the buying. Fish then discovered that his money was exhausted and he announced that he would have to draw a check. Sharkey, ignorant of Fish's identity, questioned his ability to make his check good. Fish, it is said, took offense at this and angry words ensued. Then, according to the police, someone slapped Fish's face. One of the women, clinging to Fish's arm, dragged him toward the door of the saloon and out to the sidewalk. The police say that Sharkey attempted to follow Fish, but was for a moment restrained from doing so by the other woman. He finally went out of the saloon and he and Fish encountered each other on the sidewalk. Sharkey's hat had been knocked off and he was bareheaded. There was a scuffle, by whom commenced it is not known.

FELL OR WAS HIT.

Fish fell or was knocked down, his head striking a flagstone. Just before the scuffle on the sidewalk commenced Mrs. Casey, becoming alarmed, hurriedly left the party. After Fish fell it is said that Sharkey re-entered the saloon and then left it and went into a saloon a few doors away, and a moment later left that place and boarded a street car. He was closely followed by Mrs. Phillips, who was carrying his hat and who also boarded the car. Fish was lying unconscious on the sidewalk and a knot of people gathered about him and some men carried him into the hallway of the saloon and tried to revive him. Being unsuccessful, they again brought him to the street, thinking he might revive there. He was lying on the street when a policeman appeared. The officer called an ambulance from Roosevelt hospital. Fish's identity was not learned until the hospital was reached and his clothing searched. As soon as it was learned who he was he was entered as a private patient.

Mrs. Casey, Mrs. Phillips and Sharkey were arraigned today in police court and were held for the coroner. A detective said to the sitting magistrate that the prisoners were arraigned as suspicious persons in connection with the death of Nicholas Fish.

Mrs. Casey denied all knowledge of the case. Mrs. Phillips, when questioned about the case, said: "You'll find out later."

WAS OF FINE FAMILY.

Banker Fish, who was fifty-three years old, was the descendant of one of the oldest and most distinguished of American families. His grandfather, Col. Nicholas Fish, fought with distinction in the battles of Harlem Heights, Saratoga and Yorktown, and his father, Hamilton Fish, was the first secretary of state under President Grant.

After several years in the diplo-

matic service he entered the banking business in this city in 1887.

Of his brothers, Hamilton is former republican speaker of the New York assembly and Stuyvesant is president of the Illinois Central railroad company.

SHARKEY PLEADS INNOCENCE. Coroner Jackson held Sharkey in \$10,000 bail and Mrs. Phillips and Mrs. Casey in \$500 bail each as witnesses.

Sharkey made the following statement preliminary to his arraignment: "I went into Erhardt's and saw these two women, with whom I am acquainted. They called out when they saw me: 'Come over and have a drink.'"

"I went over and sat down with them and after we had talked together some this Banker Fish seemed to take offense at my being there. We had a few words and all at once he drew off with his arm and struck me. Then we both got up. I went out one door and he the other. He must have stumbled down the steps and fallen in going out."

Coroner Jackson made an examination of Mr. Fish's body and after it said that no fracture of the skull had been found. He believed death had been due to paralysis of the brain, caused by a blow on the left side of the face or head. He thought that if Mr. Fish had fallen on a stone or pavement and so been injured the skull probably would have been fractured. The coroner said that a knock-out blow usually caused paralysis or concussion of the brain. The pupil of Mr. Fish's right eye was dilated, while the left was contracted, and that, the coroner said, was a symptom of paralysis of the brain.

Dr. O'Hanlon, coroner's physician, performed an autopsy on the body of Mr. Fish. He found that death was caused by cerebral hemorrhage, due to violence.

ALLEGED BRIBER CAPTURED

CHARLES F. KELLY ARRESTED AT LITTLE ROCK.

Believed to Be the Man Who Distributed the \$47,000 Bribe Fund in St. Louis.

St. Louis, Mo., Sept. 16.—A telegram received today by a local newspaper stated that Delegate Charles F. Kelly, the alleged distributor of the \$47,000 bribe for the passage of the city lighting bill, has been found at Little Rock, Ark. Noble Connelly, the signer of the dispatch, refers to two county judges at the Arkansas capital as evidence of his veracity.

All the members of the house of delegates were summoned to appear before the grand jury today, which is investigating the city lighting legislation and the defeat of the street railway cases.

STRIKE AT THE WHITE HOUSE

THIRTY UNION PAINTERS ARE CALLED OUT TODAY.

Four Workmen Belonging to Rival Organizations the Cause—May Delay Occupancy.

Washington, Sept. 16.—Thirty members of the Brotherhood of Painters, Decorators and Paper Hangers, affiliated with the American Federation of Labor, employed at the white house, which is in course of reconstruction, were called out on a strike today by Daniel Lear, the Washington representative of the brotherhood. The reason assigned is that four painters belonging to the Amalgamated Association of Painters, of New York City, a rival organization, are employed on a part of the interior painting.

The strike may prevent the president's family from occupying the white house as soon as they had anticipated. The Amalgamated men have telegraphed their agent in New York, Mr. Healy, to come to Washington.

PROF. RENZA THOMAS MARRIES

Word was received in the city today that Prof. Renza Thomas, formerly of this city, but now located at Montgomery, Ala., was married a week ago Monday at that city. The lady who captured the professor's heart, or whose heart he captured, is a member of the Montgomery aristocracy and is reputed to be very wealthy.

Morris Evans will leave tomorrow for Poughkeepsie, N. Y., accompanied by his sister, Miss Elizabeth, who enters Vassar college.

HINT TO BRITAIN

A FRENCH SPEECH THAT VELS A THREAT.

JINGO MINISTER OF MARINE

SAYS FRANCE CAN CONTROL THE MEDITERRANEAN.

MUST PREPARE FOR WAR SAYS THE WORLD IS DOMINATED BY BRUTE FORCE.

Bizerta, Tunis, Sept. 16.—M. Pelletan, the French minister of marine, made a remarkable speech at an entertainment of the municipality yesterday evening, which it is expected will cause the French foreign minister, M. Delcasse, some trouble to explain. After pointing out the importance of Bizerta as a bulwark of France, M. Pelletan proceeded: "We do not say we want to make the Mediterranean a French lake. We have been cured of the dreams of great men who wished us to dominate the world. But part of the Mediterranean is French and will remain French. With this powerful rampart so well situated for defense and also for attack, and with Corsica and Toulon, we can hold the open door between the two halves of the Mediterranean in spite of Malta and Gibraltar. Certainly I do not desire a conflict of peoples against England any more than against Italy, but as we do not know what others are doing, it is part of our duty to prepare for the holy war; for the French fatherland against its enemies who ever they may be. I am convinced, thanks to the fellow workers with whom I am surrounded, that we can face every eventuality. Security hardly exists any more for the civilized world. At the end of the nineteenth century, after the defeat of France by the barbarism of Old Germany, we saw an offensive return of the law of brute force. The whole world seemed to be dominated by the maxim: 'Might before right.' We must then devote all our efforts to keeping intact that focus of justice and light—French genius."

M. Pelletan concluded with remarking that he would not say more at present. He had not yet become accustomed to being a minister and feared he might be carried away into expressing his opinions of matters which exclusively concerned the foreign minister.

France has at Bizerta a powerful military and naval stronghold, which, with Toulon on the north of the Mediterranean, French military and naval men assert that France's naval power in the west of the Mediterranean is unassailable and that all that is required to consolidate the position of France is the construction of the so-called canal of two seas, which is to unite the Mediterranean with the Bay of Biscay and thus render her independent of the Straits of Gibraltar.

WILL ASK GOVERNMENT AID

IN QUELLING BIG WESTERN FOREST FIRES.

Devastating Flames Sweeping Over Wide Territory Utterly Beyond Control.

Cheyenne, Wyo., Sept. 16.—Governor Richards has been informed by telephone from Grand Encampment that for many miles along the Wyoming-Colorado line north of Pearl, Col., a furious forest fire is raging, devastating everything in its path. Every effort to subdue the flames has been exhausted without effect. Governor Richards immediately communicated with Governor Orman, of Colorado, and arranged for both to send a telegram to the secretary of the interior asking for aid.

According to the latest reports there are at least eighteen serious forest fires burning in Wyoming, to say nothing of numerous smaller fires in southern Albany county that are destroying great swamps of fine pine timber in the Medicine Bow range and threatening mining buildings. Although a hundred miles away from Cheyenne, the smoke from these fires obscures the sky here and the odor of burning wood is plainly noticeable.

CHOLERA'S TERRIBLE HARVEST.

Manila, Sept. 16.—Six additional cases of cholera, including one death from that disease, have developed on board the United States transport

Sherman, at Nagasaki, Japan, from this port. All the sufferers are enlisted men. General Chaffee has ordered the Sherman to continue in quarantine for five days. Cholera is light in Manila, but bad in the provinces. The totals reported to date in the islands are 59,759 cases and 41,804 deaths. These are unofficial estimates.

NO NEW CARDINAL YET.

Rome, Sept. 16.—Pressure for the appointment of another American continues to reach the Vatican from American churchmen. The correspondent of the Associated Press, however, is in a position to say that whatever the future may bring forth there will be no American cardinal nominated at the consistory which will mark the close of the papal jubilee.

FACTORIES AGREE TO CLOSE

ON AFTERNOON OF COURT HOUSE DEDICATION.

President Sends Official Acceptance of Invitation—Plan for His Reception.

Members of the committee in charge of the court house dedication ceremonies early today started upon a tour of the manufacturing establishments of the city with a request that they close on the afternoon of September 23, the day of the court house dedication. Without exception the managers of all establishments visited promptly agreed to the suggestion, and this means that their employees will be given an opportunity to attend the exercises.

The official acceptance of the invitation sent to President Roosevelt was received today by Chairman Zollars, of the invitation committee. It is handsomely inscribed upon white house stationery, and reads as follows:

The President has pleasure in accepting the courteous invitation of the committee, to be present at the dedication of the Allen Court House, Fort Wayne, Indiana, Tuesday, September twenty-third. Nineteen hundred and two. OUTLINED ITS PLANS.

Mayor Berghoff presided late yesterday afternoon at a meeting of the committee on reception to the president, and plans were made for welcoming the nation's executive in becoming fashion. The president will arrive in a special train on the Lake Erie railroad at 6:45 o'clock next Tuesday evening, and will be met at the north depot.

Here the reception committee will be in waiting with carriages and with the Fort Wayne military companies, company D, of the infantry, battery B artillery, and the Hibernian Rifles as a guard of honor, and the president and those who accompany him will be escorted to carriages by the committee, which consists of the following citizens:

Mayor Henry C. Berghoff, Col. D. N. Foster, the Hon. John H. Bass, the Hon. R. S. Taylor, the Hon. Edward O'Rourke, the Hon. G. C. Hanna, the Hon. S. B. Bond, Prof. A. Cruik, the Hon. John W. White.

The procession, under the direction of Major John E. Miller and Police Superintendent Homer A. Gorsline, and headed by a squad of policemen, will then proceed to the court house over the following line of march: On Cass street to the St. Mary's bridge, on Wells street to Superior, on Superior street to Harrison, on Harrison street to Columbia, on Columbia street to Calhoun, on Calhoun street south to the court house.

The party will leave the carriages at the west door and will be taken through the building and thence to the large platform which will be located on the southeast corner of the square. Here the president will make his address, after which the party will be escorted to the Pennsylvania railroad station. Their train meanwhile will have been switched to the Pennsylvania tracks and will be in waiting to take the presidential party westward.

Hon. W. Bourke Cockran, who is to be orator of the occasion, has advised Hon. J. M. Barrett that he will leave New York on Monday afternoon, arriving in Fort Wayne at 10:25 o'clock Tuesday morning.

SUSPECTS ACQUITTED.

Chicago, Sept. 16.—The grand jury today voted "no bills" against Oscar Thompson, John Claffey and Edward Counsellman, who were arrested and held to that body in connection with the Bartholomew Mitchell murder mystery. Immediate release of the men is expected.

BARNARD BEFORE GRAND JURY

COLUMBUS MAN TESTIFIES IN BASE BALL CASE.

Jury's Work Not Nearly Done and No Report is Expected Today —Court News.

The grand jury is still grinding away and is not expected to make even a partial report today. This morning additional witnesses in the William Meyer base ball case were examined, the principal one being E. S. Barnard, sporting editor of the Columbus Dispatch and secretary of the Columbus base ball club. It was Mr. Barnard who first commenced proceedings against Meyer a year ago and he continues to insist upon the prosecution of the charge of misappropriation of the base ball funds of last year's Western association. Additional evidence in the Kannel case was also heard, and Superintendent Gorsline and Detective Coling were also before the body on some local criminal case. It is probable that a report will be made tomorrow, although the labors of the jury are not nearly completed.

ABOUT THE COURT HOUSE.

August Blume, guardian of Minnie Meyers, has made his final report and asks to be discharged.

In the case of Jonas Schlatter et al. vs. Francis Marvin a decree to quiet title was ordered by Judge Aiken this forenoon.

The Lima Tracting company today filed a batch of deeds conveying to it the right of way through a number of farms in this county.

Daisy Maxwell has filed an application for divorce from William Maxwell. The complaint states that the couple were married in 1893 and recites a long list of truelities perpetrated by the husband.

The county commissioners will meet tomorrow with the members of the executive committee of the dedication committee. The commissioners will also at tomorrow's session appoint election inspectors for the ensuing state and county election.

A good hat was found on the roof of the court house by one of the janitors today. How it got there is a mystery, but it is supposed that it was lost by some one visiting the court house tower. The hat had a hat-mark bearing the name of Fred Etzold.

In the Kohlhepp divorce case, filed in the circuit court, a change of venue from Judge O'Rourke was asked for and the case was sent to Judge Aiken, from whom another change was taken. Judge Robertson was then appointed special judge to hear the cause.

The hearing of the case of Iona McGinnis, the little girl wanted by the board of children's guardians, is in progress at Huntington today. The case was venued to the neighboring county from the Allen circuit court. Humane Officer Schlaudroff and Deputy Sheriff Ryan are among the witnesses in attendance at Huntington today.

DEATH'S RECORD OF THE DAY

AGE AND YOUTH GARNERED BY THE GRIM REAPER.

Thomas Fisher Died This Morning and Will Be Buried in Patterson, O.—Mortuary Record.

Thomas Fisher died this morning at 3 o'clock at the home of his daughter, Mrs. Lenna Evans, of 122 Baker street, from paralysis, after a comparatively brief illness. The remains will be shipped to his former home at Patterson, O., on Wednesday morning for interment.

Mr. Fisher was 69 years old, and lived with his daughter since last April. He came here from Patterson, where he was postmaster for a number of years. Deceased leaves three daughters, Mrs. Evans and Mrs. Lula Huntine, of this city, and Mrs. King, of Minnesota, and one son, George Fisher, of this city.

TOMBAUGH.

Hazel Irene, the 5-months-old daughter of Mr. and Mrs. T. M. Tombaugh, of 1828 Calhoun street, died at 1 o'clock this morning.

Funeral services will be held from the residence on Wednesday afternoon at 2 o'clock.

ADVERTISING THE FAIR.

The premium lists of the Fort Wayne fair were today delivered from the hands of the printer and can be had upon application to the secretary. The list is a handsome as well as a rather voluminous publication and sets out all the premiums and prizes to be distributed, which aggregate over \$3,500. This morning a consignment of exceedingly novel and very handsome advertising placards were received from a Massachusetts novelty print-

ing house. They are the handsomest specimens of pictorial printing ever distributed in Fort Wayne. In fact the fair is being advertised more liberally and attractively than any similar event in many years. Over eighty daily and weekly newspapers are carrying the fair's advertisements and the country within a radius of seventy miles cannot fail to know that there will be big doings in this city next month. The managers appreciate the service to be secured from a liberal distribution of printers' ink and from the way it is being spread around there should be an enormous attendance.

LOCAL LINES.

Miss Elizabeth Hess, of Chicago, is visiting Mrs. Durfee Brown, of 1408 Hayden street.

Miss Lagen, of Chicago, has taken a position as trimmer in the millinery store of Mrs. Spiegel, on Broadway.

Mrs. P. A. Slite and daughter, Besie, of Muncie, are visiting Mrs. Slite's daughter, Mrs. L. Carman, of 234 East Main street.

Mrs. G. W. Hill, of 215 East Wood-lawn avenue, who has been visiting in Chicago for the past week, will return home this evening.

The monthly business meeting of the Young Women's Bible class of the First Baptist church will be held this evening at the home of Miss Pearl Graham, 1204 Park avenue.

Harry Dickmeyer, of Gay street, was pleasantly surprised by a party of about thirty friends on Sunday evening. Games and music were the amusements of the evening, luncheon being served at midnight.

Architect Henry Meyer is making plans for a double frame residence which will be erected by Will Markey on his property at the corner of Ewing and Jefferson streets, on the ground formerly occupied by the Markey greenhouses.

Rev. and Mrs. J. W. Lake and H. J. Neasel went to Peru at noon to attend the conference of the St. Joseph district of the United Brethren church. Rev. Neasel will present to the conference on behalf of Calvary church a request that Rev. J. W. Lake be returned to the charge.

The Twenty-third Indiana battery will hold its sixteenth reunion at Huntington October 23. There are less than forty survivors of this battery and it is expected that fully two-thirds of them will attend the meeting. County Recorder Charles Gillett, James Chamberlain, Joseph Gruber and William Bright are the only Fort Wayne members of the battery.

Dave C. Rice, who for the past six years has been recognized as one of the foremost musicians of Fort Wayne, and for the past three years solo clarinetist of the Park orchestra, will leave with his wife tomorrow for Montgomery, where he has accepted a winter engagement. Mr. Rice says it is doubtful whether he will return to the city next year, as he has under consideration a summer engagement at a Florida summer resort. His host of friends in this city wish him prosperity in whatever locality he chooses to pitch his tent.

ELECT CAPTAIN AND MANAGER.

A meeting of the Fort Wayne Medical College Athletic association was held this morning to choose officers of the foot ball team and to discuss plans for fall events. Jack Duke, of Scooba, Miss., was elected manager.

and Kimsy Evans was chosen captain. Duke has played on one of the large university teams of the south and has had several years' experience in foot ball. Evans is well known to Fort Wayne foot ball cranks, having been fullback on the high school team for several years, and last year on the Library hall team. The preliminary practice was held this afternoon on McCulloch's field, and the candidates showed up well. Manager Duke will begin work at once on a schedule, and it is the intention to bring one or two of the larger college teams to the city if dates can be secured.

DIRE DISTRESS

IT IS NEAR AT HAND TO HUNDREDS OF FORT WAYNE READERS.

Don't neglect an aching back. Backache is the kidneys' cry for help.

Neglect hurrying to their aid Means that urinary troubles follow quickly.

Dire Disaster, Diabetes, Bright's Disease.

Profit by a citizen's experience. Miss Mary Arnold, of 14 Summit street, says: "Before I got Doan's Kidney Pills at Meyer Bros. & Co.'s drug store and used them I took medicine of different kinds and was under doctor's care, but neither did me any good. The doctor said I had kidney trouble, but at the same time did not give me much, if any, relief. I read about Doan's Kidney Pills and decided to try them. I had no sooner started to use them than I felt better. My backache, which had been very bad, began to bother me less and less and the dizziness also gradually began to disappear. The other symptoms of weak kidneys left me and I steadily improved until I was in better health than I had been for years."

Sold by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's—and take no other.

Every Spoonful had the Desired Effect.

Yorkshire, O. I was 28 years of age; took nervous attacks and suffered for 21 years, trying all kinds of medicines without doing me any good. I am glad to say that Pastor Koenig's Nervine Tonic had the desired effect. Every spoonful strengthened me and gave refreshing sleep and good appetite, and now feel better and healthier than ever before. Accept my thanks. JOSEPH GILLOZET.

New Orleans, La., April 2, 1901. I was suffering from St. Vitus dance for seven years. It affected my right side and I was crippled. I tried everything, but now they come in 4-5 weeks. The Tonic makes me sleep well and have no more such severe headaches.

Out Lots

I now offer the 120 acres on Walton avenue immediately south of the Lutheran college land, price \$24,000 for the entire tract, \$200 per acre, which will retail out at \$400 per acre. Good opportunity to double your money. Terms easy, small payment down, long time on remainder. When we cleared off the very heavy timber on this rich land, many fine trees were left for outlot purposes, all of which are still there and growing. The population of Fort Wayne is steadily increasing and a still more rapid growth is now about to develop.

A GIRL'S PROBLEM.

How to Feed Herself When Running Down.

"I am a stenographer!" That statement brings up a picture of long hours of tiresome indoor confinement, close mental concentration and subsequent exhaustion and brain fog. Then comes up the food question.

A young lady in Dayton, Ohio, writes, "Some time ago I was a stenographer in a large city retail store and having the responsibility of the office work, resting largely upon me my health began gradually to decline, and I stood facing the difficult problem of finding relief of some kind or leaving my situation. Worry added to my trouble; I became dyspeptic and nervous and suffered with insomnia and restlessness at night."

I was speaking of my illness one day to a trained nurse, who recommended that I begin a systematic diet of Grape-Nuts at once as she had seen its beneficial effect upon several of her patients who had suffered as I did.

So I began to use the food conscientiously. It formed my entire breakfast with perhaps Postum Coffee or some other nourishing drink and a second dish was taken at the evening meal. In about two weeks time I began to feel stronger and more hopeful; my digestion and appetite were better; I was less nervous and could sleep. I continued the diet steadily and soon courage and vitality began to revive and once more I began to think success lay somewhere in this big world for me.

My work grew smoother and easier and after seven months of this diet I could do almost twice the amount of work in a day and do it easily and without feeling exhausted.

Today I am filling a much more responsible position and do the work easily and satisfactorily. I attribute it all to Grape-Nuts, which I still continue to use. For a palatable and healthful diet, there is nothing on the market to equal it, and the fact should become of common knowledge." Name given by Postum Co., Battle Creek, Mich.

exporting of American shoes
comparatively recent growth.
this country exported only
00 worth of boots and shoes,
the fiscal year 1901 it sent
3,500,000 worth of boots and

respect is very good that St.

Louis will be able to exhibit some
aldermen in the penitentiary in
1904. If she is able to add to that
a choice exhibit of some eminent cor-
poration managers in jail for turn-
ishing the bribe money it will be a
model municipal exhibition.

The state of Minnesota has no valid
inheritance law on its statute books.
Judge Bunn, of the Ramsey county
court, holds that the law of 1901 is
unconstitutional and invalid, and de-
visions of other courts have already
found irreparable flaws in the laws
of 1897 and 1902, so that there is no
inheritance law whatever.

Iowa has a law which provides for
the confinement of habitual drunk-
ards in insane asylums. It is popu-
larly known as "the old-topper law,"
and its enforcement is reported to be
having a wonderful effect. Many
men who for years clung to the habit
of getting drunk regularly have re-
formed and become more or less use-
ful as citizens.

President Castro's proclamation of
amnesty to all Venezuelan revolu-
tionists who lay down their arms
within forty days is another bright
addition to the humor of the situa-
tion. Perhaps, finding other weap-
ons useless in checking the onward
march of his enemies, he has decided
to try the typewriter as a last re-
sort.

Some idea of the needs of the party
accompanying President Roosevelt on
his recent trip may be gained
from the fact that when the dining
car was started on its travels it was
stocked with a total of 350 pounds of
beef, 100 of lamb, 75 of ham, 25 of
tongue, 120 of chicken, 50 of goose,
35 of turkey, 1 bushel of clams, 3
crates of melons, 100 pounds of but-
ter, 20 gallons of ice cream. The list
is well high interminable. Ten gal-
lons of spring water were drunk
every day and about 160 gallons of
water are used for cooking.

The American embassy in London
has again issued a circular warning
the credulous in this country that
the "English unclaimed estates" will
yield revenue only to the swindlers

who wheedle money from simple
folk. This is a hoary old fraud.
When Reverdy Johnson was on a
mission to England he denounced
the swindle with the utmost vigor.
In the middle of the last century
there was a mythical unclaimed es-
tate supposed to be worth 100 mil-
lion dollars. The deluded claimants
in this country numbered several
hundred; met annually; debated
about methods of coming by their
own; divided into parties or rival
factions, and built all sorts of fan-
tastic "castles in Spain" on English
cloud banks. One day one of the
members had a bright idea. He
went to London and applied to the
Bank of England for information
about the funds said to be there de-
posited. There were no funds; no
such estate; never had been and
never would be. It is the same old
swindle and a new generation. But
consider how simple many Ameri-
cans are to believe that, in a popu-
lous country like England, there
should be hundreds of millions lying
in banks unclaimed for generations.

WILL ORGANIZE A LEAGUE

FORT WAYNE TO HAVE Profes-
SIONAL BALL IN 1903.

Manager Mautner Active in the Pro-
ject and Is After Young
Players for the Team.

Manager Mautner has addressed
communications to base ball men in a
number of the cities of the defunct
Western association and other prom-
ising base ball towns relative to
forming a new league for next season
and has received assurances from
nearly all of them that they are
willing to join in the project. Man-
ager Mautner is not inclined to dis-
cuss the matter, owing to the fact
that nothing definite has yet been
accomplished, but it is understood
that a meeting of representative base
ball men will be held here or in
Marion, at which definite action will
be taken.

Manager Mautner has written sev-
eral promising young players and al-
ready has the nucleus of a strong
team. It is his intention to have the
majority of the players young men
who have had a few years' experi-
ence in amateur teams, with a few
players who have been in the big
leagues to steady them, and among
those who have signified their will-
ingness to become members of the
local team are Hardy and Clark, the
two best men on the Paulding in-
dependent team, and Pitcher Teal, of
Tiffin. Mr. Mautner's experience in
having a team made up entirely of
ex-league players has not proven en-
tirely satisfactory and he will follow
the plan of Manager Armour, of
Cleveland, and develop young
players.

Among the cities that it is desired
to include in the circuit are Dayton,
Wheeling, Marion, Evansville, Terre
Haute, Fort Wayne and Toledo,
which has proven such a failure in
the American association.

A BOY'S WILD RIDE FOR LIFE.

With family around expecting him
to die, and a son riding for life 18
miles, to get Dr. King's New Discov-
ery for Consumption, Coughs and
Colds, W. H. Brown, of Leesville,
Ind., endured death's agonies from
asthma, but this wonderful medi-
cine gave instant relief and soon
cured him. He writes: "I now sleep
soundly every night." Like mar-
velous cures of Consumption, Pneu-
monia, Bronchitis, Coughs, Colds and

Throat and Lung troubles. Guar-
anteed bottles 50c and \$1.00. Trial

POSSE IN PURSUIT

PUTNAM COUNTY FARMER COM-
MITS MURDER.

VICTIM SLAIN AT THE TABLE

JUST BECAUSE HE ATE HIS
MEAL TOO SOON.

SUICIDE HAD COFFIN READY

GENERAL NEWS IN HOOSIER
STATE TODAY.

Greencastle, Ind., Sept. 16.—An-
gered because his family had failed
to await his arrival for the noon
meal, Jack Smithson yesterday shot
and instantly killed George Boswell,
drove his own family from his home
at the point of a gun and escaped to
the woods, where a sheriff's posse is
searching for him. Boswell was a
highly respected farmer and was do-
ing some work at the Smithson
home, west of this city. Just before
noon Smithson went home and be-
came very angry when he was too
late to sit at the table with the fam-
ily. He began to abuse members
of his family and had some words
with Boswell, who started away from
the house.

Before Boswell could reach the
gate Smithson had secured a shot-
gun and, running out in the yard,
he fired at Boswell, literally blowing
off the top of his head. Going back
into the house, Smithson turned on
his wife and children and drove
them from the house. It is believed
that Smithson was either drunk or
insane, as it is said the murder was
without the least provocation. Im-
mediately after the shooting the
murderer made his escape, running
in a southwesterly direction from his
home.

It is said that being a hunter and
a trapper he knows every nook and
corner in the county and his capture
will be a difficult matter. Blood-
hounds from Roachdale were sent for,
and with Sheriff Cooper and a posse
of men a search for the murderer was
instituted. Up until this morning his
whereabouts was still unknown.

"DIVINE HEALER" FAILS.

South Bend, Ind., Sept. 16.—The
suffering of Mrs. Joel McPherson,
the young woman who, although in
the last stages of consumption, re-
fused to see a doctor, is at an end
and death has claimed its own. She
believed until the last that she would
be ultimately cured by the ministra-
tion of a "divine healer" of local re-
pute. The woman was a step-daugh-
ter of Marion Cornwall, was only 17
years old, and about a week ago was
married to Joel McPherson. The hus-
band called the city ambulance and
would have moved his bride to his
home, although he knew that she
could live but a few days. The last
physician to attend the girl made a
call during the early part of May
and since that time she had been
gradually succumbing to the ravages
of the disease, being visited
daily by the "healer."

SUICIDE HAD HIS COFFIN.

Peru, Ind., Sept. 16.—Isaac
France, the farmer who hanged him-
self in his own barn five miles south
of Peru yesterday, will be buried in
a coffin that he purchased in Peru
July 3, 1901, for his own use. After
he had made the purchase he swal-
lowed a dose of morphine that would
have killed him had not the services
of a physician been secured in time.
He was despondent because of ill-
health. He was 65 years of age and
leaves a large family.

RETURNED RAILROAD PASS.

Winamac, Ind., Sept. 16.—Judge
George W. Beeman, the independent
democratic candidate for judge of the
Starke-Pulaski circuit against M. M.
Hathaway, of Pulaski, has returned
his railroad pass over the Monon to
the company which issued it, accom-
panied with a letter explaining his
action. The judge says passes are
given to officials and legislators with
the view to influence their actions,
and as he thinks that to be wrong,
he returns the document.

STREET FAIR AT WARSAW.

Warsaw, Ind., Sept. 16.—The mer-
chants' fall festival and street car-
nival was opened here yesterday with
a fair attendance. The attractions
are varied and numerous. The mer-
chants are preparing for a large

crowd during the rest of the week.
The carnival differs from most of the
kind in the fact that no queen of the
carnival has been chosen. Several
other of the customary features are
absent but their places will be filled
by other attractions.

POKAGON CLAIMS LANDS.

Laporte, Ind., Sept. 16.—Charles
Pokagon, son of the famous Indian
chieftain, Simon Pokagon, has em-
ployed attorneys and is looking up
titles to land bordering Trail creek,
in this county, with a view to bring-
ing action in the courts to regain
possession of thousands of acres of
land in this section.

GOES TO SOUTH AMERICA.

Laporte, Ind., Sept. 16.—Rev. H. A.
Klein will leave for New York today,
where he will sail for Brazil, South
America. A large German Lutheran
colony has been planted in the south-
ern part of the Brazilian republic
and Rev. Mr. Klein has accepted the
pastorate of the church there.

GAS IN PORTER COUNTY.

Valparaiso, Ind., Sept. 16.—While
well drillers were drilling for water
on the farm of Col. William Sear,
north of town, a heavy flow of gas
was struck yesterday at a depth of
152 feet. The drill had been at work
for ten days and had penetrated
slate, coal, iron, zinc and gravel.

HUNTER FATALLY SHOT.

Valparaiso, Ind., Sept. 16.—Gar-
land Bell, aged 19 years, was shot
and fatally wounded yesterday by
the accidental discharge of his shot-
gun while getting into his boat at
Calumet lake. The full charge en-
tered his side.

TAKE CARE OF THE STOMACH.

The man or woman whose diges-
tion is perfect and whose stomach
performs its every function is never
sick. Kodol cleanses, purifies and
sweetens the stomach and cures pos-
sibly and permanently all stomach
troubles, indigestion and dyspepsia.
It is the wonderful reconstructive
tonic that is making so many sick
people well and weak people strong
by conveying to their bodies all of
the nourishment in the food they eat.
Rev. J. H. Holladay, of Holladay,
Miss., writes: "Kodol has cured me.
I consider it the best remedy I ever
used for dyspepsia and stomach
troubles. I was given up by physi-
cians. Kodol saved my life. Take
it after meals. Meyer Bros. & Co."

J. C. Van Ame, of Chalmers, and
John Busht, of Wolcottville, are in
the city on real estate business.

FORTUNE FAVORS A TEXAN.

"Having distressing pains in head,
back and stomach, and being without
appetite, I began to use Dr. King's
New Life Pills," writes W. P. White-
head, of Kennedale, Tex., "and soon
felt like a new man." Infalible in
stomach and liver troubles. Only

TELLS OF A GREAT GOOD DONE
—OF A CERTAIN CURE—FOR
THE NERVOUS, WEAK AND
SLEEPLESS.

Mrs. E. Shadle, of No. 34 Baker
street, Fort Wayne, Ind., says: "I
think Dr. A. W. Chase's Nerve Pills
I got at Meyer Bros. & Co.'s drug
store are an excellent nerve tonic. I
found them capable of making my
nerves strong and of giving me good
sound, natural sleep—two things I
lacked, consequently I am pleased
with the medicine."

Dr. A. W. Chase's Nerve Pills are
sold at 50c a box at dealers or Dr.

A Life Lease

Had apparently been taken by dam-
draft on my scalp, writes Colonel
Daniel Searles, the journalist and
publisher of Butte, Mont., Jan. 10,
1900, and had adorned it with a fair-
sized "skating rink," which was en-
larging its area as the years rolled
by. I used a couple of bottles of
Newbro's Herculide with marvelous
results. The dandruff disappeared;
a new crop of hair has taken root;
and the bald spot is rapidly being
covered.

REBUILDING

The Broken Down Structure.

PAINE'S CELERY COMPOUND

Repairs the Diseased Parts of the Human Body and Establishes Health, Comfort and Happiness.

Can we rebuild our pain racked, emaciated and wasted bodies? Yes, the work can be done even though the spark of life glimmers but faintly and feebly. This work of rebuilding can only be effectually accomplished by the use of Paine's Celery Compound, that marvelous medicine that has saved so many lives in the past.

Paine's Celery Compound, nature's fortifier and builder, acts directly on the great nervous system, giving pure, vitalizing blood, nerve force, digestive vigor, refreshing sleep and increased weight.

Begin the good work of health building today. Take home a bottle of Paine's Celery Compound, use it faithfully and you will have cause for rejoicing and thanksgiving. Mrs. James Arthur, Spokane, Wash., a lady almost helpless from cruel rheumatism and terrible neuralgia, and cured by Paine's Celery Compound, writes thus:

"I have suffered for three years with neuralgia and rheumatism, and tried many different remedies which would give me only temporary relief. From last January, and through the spring months I suffered terribly. I could walk but a short distance, and some days not at all. I used Paine's Celery Compound and have not been troubled since. Before using the Compound my knees were so bad I could not get down or up, but now I can walk a mile or more every day, with no stiffness or lameness in the joints."

SHOP AND RAIL

MORE CHANGES AT PITTSBURG AND NICKEL PLATE.

H. PARKHURST TO CLEVELAND

AND H. W. MEYERS WILL SUCCEED HIM.

WABASH OFFICIALS ARE HERE

COME TO LOOK AFTER INTERESTS OF COMPANY.

Mr. Parkhurst, who came here three or four months ago to take a clerical position in the office of Road Supervisor John McDonald, of the Nickel Plate, has been called to a similar position with Supervisor LaBron, at Cleveland, with a handsome increase in salary. He leaves tomorrow for that city. H. W. Meyers, who left the Nickel Plate office last spring to take a position in Shop Clerk Hobrock's office, at the Pittsburgh, will return to the Nickel Plate Thursday morning, succeeding Mr. Parkhurst. This change and some that have already taken place in Mr. Hobrock's office will probably lead to some promotions in the clerical force under Mr. Hobrock and some possible changes in other departments.

SPECIAL TRAINS TUESDAY.

The necessity for extra train service on some of the railroads for the court house dedication travel, next Tuesday, has been brought to the attention of the higher officials. The Grand Rapids and Indiana company has already made arrangements for extra trains. One will come in from the north, starting at Sturgis, Mich., and arriving here at 9:30 in the morning, and leaving on the return trip at 9:30 in the evening. The train from the south will start from Portland, arrive here at 8:40 a. m. and leave at 9:30 in the evening. The Wabash's regular trains can accommodate all who wish to come here, but for the accommodation of those from the east the company will run a special out of the city as far as Defiance, leaving at 9:30 p. m. The Wabash expects to handle a big crowd, having made a very low rate for the occasion. The Lake Erie and Western transportation officials have the matter of special service before them at present and will probably decide and make the announcement tomorrow. The Pennsylvania trains are so numerous and the schedule so arranged that it is not necessary to put on special trains unless the crowd is too great for the regulars. The Chicago, Hamilton and Dayton, it is believed, will have an extra train in and out of the city on that occasion. The Nickel Plate has taken no action in the matter as yet. It is believed that the company will put on a special if it is apparent that travel will justify such a move. Otherwise the regular trains will carry all the people. The Lake Shore will depend entirely upon its regular trains, adding extra cars to each as necessity may demand.

GOOD TIMES OUT WEST.

En route home from a western tour which consumed a month Stephen G. Little, a prominent railway man, was interviewed by the St. Louis Globe-Democrat and is quoted as saying:

"I go over the same field every year, and I never before saw such a prosperous west. I can scarcely understand it. The railroads are crowded with passengers as never before. The extra passenger trains on the Burlington, the Denver and Rio Grande and other western roads are simply blocking the freight traffic, and it is difficult to get freight through between the increased number of passenger trains.

"I attribute the prosperity and unprecedented freight and passenger traffic to the great harvests we are gathering, and the crops are, after all, the basis of real wealth. But the travel is not only west, it is from the Atlantic to the Pacific.

"When I came through Pittsburgh and saw the record of 265,000 pieces of baggage handled in Pittsburgh during August, which was 33,000 more than the highest previous monthly record, I was prepared to believe that prosperity was well-nigh universal in this country."

WABASH OFFICIALS HERE.

Motive Power Superintendent J. B. Barnes, General Foreman of Car Department Frank Howard and District Freight Agent W. A. Sprott, of the Wabash, are in the city today, looking after the interests of their departments. Mr. Barnes will probably remain here two or three days, arranging for some contemplated improvements at the shops.

THE TROUBLESOME BRIDGE.

Lorain Times-Herald: "The Nickel Plate bridge is also a level now, but it has."

stead of going down it is sliding to the north. In an hour today it went eight inches. A plow is being used to shove the dirt off to the north side of the bridge where the sink hole seems to be, and it is believed the bridge can be held in place. Several cars loaded with timber have been shipped here and are being held in readiness in case the bridge goes down any further."

THE ACCIDENTS.

John Hamilton, who operates a big boring machine at the Bass shops, received an ugly gash in the calf of his right leg yesterday afternoon which required several stitches to close. The wound is four inches long and extends to the bone. It was caused by a casting falling and striking Mr. Hamilton.

John Druhot, molder, was injured early yesterday morning by a stove he was helping to set up at his home falling upon him. On account of the accident Mr. Druhot will be unable to work for several days.

Pennsylvania Engineer O. T. Peterson had one of his hands cut while at work in the cab yesterday. He was tightening a bolt when the wrench slipped with the result mentioned.

Charles Lotz, a Nickel Plate dining car cook, was brought from Bellevue last night and taken to his home in the Ninth ward. While standing on the tracks at Bellevue he was struck by a passing engine and was considerably bruised about the hips. He will be out again in a few days. Mr. Lotz was formerly employed at the Ohneck Cafe.

UTILIZING THE NEW CRANE.

The new locomotive crane at the new car shops, described in these columns a few days ago, is one of the most important additions to the equipment of recent years. Its power to go anywhere on railway tracks makes this crane available for special purposes and today it was run down to the new round house, where it was used to remove the stone which formed the foundation of the old car scales, recently abandoned. With this crane the heavy stone, each weighing several tons, were picked up and placed upon a car as rapidly as a man could handle stones which weigh less than 100 pounds each. The new crane was designed for work in the car erecting department, where steel underframes weighing several tons are used.

HIRED SOME MORE MEN.

Five new names appeared on the pay rolls of the Fort Wayne Electric company this morning and four men, who have been employed there for some time, resigned to take service elsewhere. The new employees are William H. Jackson and S. O. Cromley, in the laboratory; Henry W. Foss and Joseph Briggs, in the large dynamo department; and William Wehrs, in the machine department. Those who resigned are Chris Barrett, James Cunningham, John Noll and John Miller.

WEDDING COUPLES RETURN.

Charley Kronmiller, who was married two or three weeks ago, returned from his wedding tour of the east last night and this morning resumed his old place in the Pittsburgh planing mills. Charley Hausbach, another new benedict, also returned from a wedding trip last night, which included a visit to Niagara Falls and Buffalo. He resumed his duties in the Wabash machine shop this morning.

WILL BUILD SAMPLE CAR.

The car shops of the Pittsburgh have been informed that three underframes for the sample XL box cars have been shipped from the pressed steel works and that they will arrive here in a day or two. As soon as these three sample cars have been built and examined by the heads of the department, the shops will take up an order for 500 of these cars and build them as rapidly as possible.

SUPT. M'KEE HERE.

Mr. and Mrs. George S. McKee, of Mobile, Ala., are in the city, the guests of Mr. McKee's mother, on Hendricks street. Mr. McKee is now superintendent of the Mobile and Ohio road.

INDUSTRIAL NOTES.

William Gill, of the Wabash's smith shop, is sick.

A new floor is being placed in the Wabash baggage room.

The Pittsburgh, Fort Wayne and Chicago is increasing its side track room at Crestline.

J. M. Breiderstein and Fred Geerkens, of the Pittsburgh machine shop, are sick and off duty.

Mrs. Larimore, wife of Pittsburgh Engineer C. W. Larimore, will visit friends in Chicago a few days.

Assistant Master Mechanic N. M. Loney, of the Pennsylvania, has returned from a business trip to Pittsburgh.

J. O. Snellenberger and Bert R. Mangas have taken home in the Pittsburgh.

ler, who was fishing a week at Rome City, also resumed work at the round house this morning.

Henry Miller, a plumber, who was taking a vacation, resumed his duties in the Wabash shops this morning.

John Brien, a brass molder from Allegheny, is in the city visiting Mrs. E. O. Bradley and other relatives.

Passenger engine 1144 was turned out of the Wabash shops today and will leave tonight for the Buffalo division.

Tom C. Stonebrook, painter, reported for work at the Pittsburgh shops this morning, after a short illness.

H. L. Bley, general yardmaster at this point of the Pennsylvania, has resumed work after a vacation spent in the east.

Nickel Plate Conductor J. C. Heslin, who was looking after some private business, resumed his duties on the road today.

Machinist George Koegel, of the Fort Wayne Electric works, has moved from West Jefferson street to 620 Levisa street.

William O. France, who had his back injured a week ago, has recovered and this morning resumed work in the Pittsburgh's smith shop.

J. W. Mollenkopf, a Pittsburgh truckman, is sick. C. A. Motter, another truckman, who was hurt a week ago, reported for duty today.

T. J. Reiling, who was attending a meeting of the International Union of Stationary Engineers, which was held at Pittsburgh, has returned home.

Erecting Engineer Frank Passino, of the Kew Murray works, went to Coshocton, Ohio, last night to see about the installation of a gas plant.

W. F. Keisel, jr., has been appointed assistant mechanical engineer of the Pennsylvania lines at Altoona, vice A. W. Gibbs promoted.

James Trease, janitor at the Wabash freight house, and his family, have returned from Michigan, where they went a week ago to visit relatives.

The annual meeting of the stockholders and debenture bondholders of the Wabash will be held at Toledo, October 14, when thirteen directors will be elected.

Charles Smith, the carpenter, who resigned a position in the Pittsburgh shops a couple of days ago, this morning took a position with Contractor Sproul in the erection of the new shops.

Mr. and Mrs. H. S. Borhek will soon go to Grand Rapids for a visit with relatives. Mr. Borhek is a draftsman at the Pittsburgh shops and the coming lay-off will be in the nature of a vacation.

The Wabash will have an all rail excursion to Detroit next Sunday, good returning Monday. President Roosevelt will be in Detroit on Monday and the Wabash expects to take a big crowd into that city.

Harry Hogan, who served as apprentice in the Pittsburgh machine shop during the summer vacation term, accompanied by Oscar Fox, left this morning for Notre Dame to enter upon the second year of his collegiate course.

Capt. H. Stoll, of the Pennsylvania, has been instructed to keep a look out for Clarence Gildner, aged fourteen, who is supposed to be working his way over the Pittsburgh to Chicago. The lad ran away from his home in Allegheny.

Louis Koeneman, the switchboard packer at the Fort Wayne Electric works, is very sick at his boarding house and may have to submit to a surgical operation. Charles Mulford, a welder at the works, is also quite sick, being afflicted with typhoid fever.

The coroner of Marshall county today held an inquest over the remains of Farmer Compton, who was killed between Bourbon and Inwood by a Pennsylvania engine a few days ago. H. T. Swegman, the company's claim agent, went to Inwood to attend the inquest.

Fred E. Sawyer, formerly of this city but now freight agent for the Pennsylvania at Indianapolis, is recovering from an illness that confined him ten days. The Indianapolis Journal says that Mr. Sawyer was able to sit up last Saturday for the first time since the beginning of the attack.

Conductor Stanton Smick, of the Grand Rapids and Indiana road, and his daughter, Miss Charlotte, have returned from Kenton, Ohio, where they were visiting his father, a well known attorney in that city. Mrs. Smick was unable to accompany her husband on account of an injured spine.

For the accommodation of the ticket and passenger agents the Grand Trunk road will run a special train from Chicago to Portland, Me., leaving the former place October 12 and stopping a few hours at Montreal en route. The agents hold their annual convention in Portland next month.

John Ackerman, the car inspector, who had a foot cut off three or four months ago, while at work in the east yards of the Pittsburgh, went to Chicago this morning to get an artificial foot, which has been made especially for him. With the artificial member, he expects to be able to get about quite comfortably without the aid of crutches.

A 350-light dynamo for Warren, Va., and a 50-light are being

with lamps and all the material for station equipments; to Missouri Valley, Iowa; a dynamo to Parras, Mexico, and a switchboard outfit for Endicott, N. Y., were some of the shipments from the Electric works this morning.

J. Pierpont Morgan was asked on Saturday: "Is it true that President Cassatt, of the Pennsylvania system, and yourself have entered into a combination to control the trunk line roads?" His reply was: "There is no combination so far as I know. There is no necessity for such a combination. I have no interest in the Pennsylvania road."

Indianapolis Journal: "The last year the Pennsylvania added 20,000 new cars, and in addition replaced 5,000 light cars with new and heavier ones, and will do more in 1903. The shops at Fort Wayne are now gathering material for the construction of cars of 100,000 pounds capacity, and next year will, with enlarged shops, be able to build several thousand new cars in addition to repair work."

Foreman P. J. Scheid, of the round house; H. T. Thomas, a car builder, and James Chamberlain, round house gate keeper, are some of the Pennsylvania employees who will attend the Grand Army encampment. They will leave the city in advance of the main body in order that they may have time to visit relatives in some of the eastern cities before the encampment opens. Mr. Scheid will be accompanied by Mrs. Scheid and some of their children.

Grand Rapids train No. 4 did not reach the city this morning until 5:13, being over four hours late. The trouble was east of Grand Rapids.

Jack Burke, a blacksmith from Geneva, Ohio, took a position at the Bass shops this morning.

A 6x60-foot steel sheet for tile making left the Bass shops this morning for Willoughby, Ohio.

William Scheiman, a molder at the Bass shops, who was injured by being struck by a street car a week ago, reported for work at the foundry this morning.

The Pennsylvania wreck crew has cleared up the wreckage caused by an accident to a freight train near Lima a few days ago. Of the four train cars derailed seven were so badly damaged that they could not be repaired and they were destroyed.

B. W. Shannon, who had a foot injured in the Pittsburgh lumber yards ten days ago, reported for duty this morning.

A Quari Baby.

Now and again there is an item in the newspapers concerning the birth of a puny baby so small that a quart cup holds it comfortably. If the article told all the facts it would probably tell of a mother who in weakness and misery had looked forward to the baby's advent with shrinking and fear.

To have fine, healthy children the mother must be healthy, and it is the common testimony of mothers that the use of Dr. Pierce's Favorite Prescription not only promotes the mother's health but also gives her strength to give her child.

"Favorite Prescription" accomplishes these results by tranquilizing the nervous system, promoting a healthy appetite, and giving refreshing sleep. It increases physical vigor and gives great muscular elasticity, so that the baby's advent is practically painless. It is the best of tonics for nursing mothers.

"I gladly recommend Dr. Pierce's Favorite Prescription," writes Mrs. J. W. G. Stephens of Mill, Scotland, Scotland, "I took six bottles. My little boy was born a week before he was due. He is the finest child I have ever seen. I suffered very much less than I ever did before. I understand that many expectant mothers to use the 'Favorite Prescription'.

The dealer who offers a substitute for 'Favorite Prescription' does so to gain the little more profit paid on the sale of less meritorious medicines.

Dr. Pierce's Common Sense Medical Adviser, containing 1008 pages, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

Base Ball News

With the exception of in the American association, where the race is the closest, yesterday's games practically settled the pennant winners in the American league and the rank of the first division in the National league, the winners having been placed weeks ago. Brooklyn is safe for second place in the National, and by beating Boston two games Philadelphia Americans clinched their hold on the pennant on the under side. In the American league Boston turned out over 16,000 people to see their club go down twice before the Athletics. The total attendance at American league games was 17,554, not including the Baltimore game, where the attendance was not announced. In the National league Pittsburgh won its 95th game and the attendance at four games was 5,188. In the American association Indianapolis won and Louisville did not play, thus putting the Hoosiers three points ahead. THE MARKETS.

Chicago, Sept. 16.—Bearish tendencies were at work at the opening of the grain pits. The weather was perfect for the movement of wheat although predictions were for rain tonight. The latter news had little effect. Cables were weak after the good upturn here yesterday. Receipts of wheat were increased, there was some sign of better grading and the northwest was getting larger arrivals. December wheat started 1/4 to 1/2 down at 88 1/2 to 89 1/2 and dipped to 88 1/2 to 89 1/2. There was fair support, however, and December rallied to 88 1/2 to 89 1/2. Local receipts were 421 cars, 15 of contract grade. Minneapolis and Duluth reported 1,060 cars, making a total for the three points of 1,481 cars, against 1,215 last week and 1,841 a year ago.

There was more of a tendency toward weakness in near options, than in late advices. The crowd still felt somewhat wary of September wheat as a result of the decision in the

THE DAY ON WALL STREET.

New York, Sept. 16.—Prices showed a sagging tendency at the opening notwithstanding the announcement of an engagement of \$2,500,000 gold for import. The losses were restricted to fractions and among the important stocks which showed gains were Pennsylvania and Missouri Pacific. The dealings were on a very small scale.

Bear traders put out short lines when the list failed to respond to the gold imports and there was some selling of long stock when money loaned at 13 per cent. Losses reached a moderate fraction generally, but ran to a point or over in St. Paul, Rock Island, Reading, Norfolk and Western, Louisville, Wabash, Tennessee Coal and some minor stocks. Sugar preferred, Pere Marquette preferred and Sloss-Sheffield Steel lost 2/3. There were some slight recoveries later.

Stocks held well at the rally, but the market was virtually at a standstill, scarcely any of the usually active stocks showing any life. Wisconsin Central stocks advanced about 2 points each. An easier call loan rate checked the selling.

Bonds were irregular.

HE STANDS FIRM

SPEAKER HENDERSON PUTS EMPHASIS ON LETTER.

WORD TO PARTY MANAGERS

IOWA CONGRESSMAN WILL NOT HAVE NOMINATION.

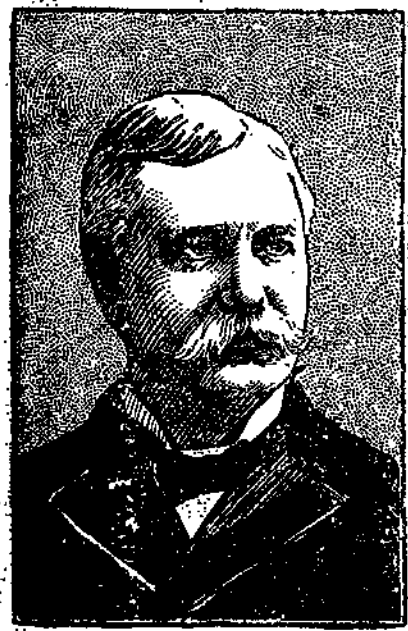

AT ODDS WITH CONSTITUENTS

ABHORS FREE TRADE AS CURE FOR TRUST EVIL.

Des Moines, Iowa, Sept. 17.—Speaker Henderson has refused to reconsider his withdrawal from the congressional race in the Third district. This morning the following telegraphic reply was received in response to a request to reconsider his action:

"Dubuque, Iowa, Sept. 18.—Messrs. Lafe Young and S. W. Rathbun, Des Moines, Iowa: Your joint telegram sincerely appreciated, but cannot reconsider, for after an age spent in fighting for my country, state and district, I cannot acquiesce in administering free trade poison to cure the trust evil, which I abhor. (Signed) "D. B. Henderson."

GIVES FORMAL STATEMENT.
Speaker Henderson's formal declaration to enter the race for congress

DAVID BREWSTER HENDERSON.

against Horace Boies was given out late yesterday afternoon.

He refuses to stand for the republican nomination for congress on the ground that he could not assent to a rising tide of sentiment within the party in favor of free trade as a remedy for the trust evil.

No intimation of his purpose had been received except by three friends whom he called into conference yesterday morning—Chairman Glasser, of the congressional committee; Jacob Rich, former editor of the Dubuque Times, and Major W. H. Day. He had prepared a letter to the members of the congressional committee, announcing his declination and an address to the voters of the third district, and these were issued at 4:15 p. m., despite the counsels of his friends.

THE LETTER.

The letter addressed to C. E. Albrook, chairman of the notification committee, Eldorado, Ia., by Mr. Henderson was as follows:

"My Dear Sir: I have never answered the kind notice communicated by you and your associates advising me of my nomination for the eleventh time by acclamation as the republican candidate for congress for the third congressional district of Iowa. Reported conditions in the public mind in my district upon public policies induced me to make this delay.

"Since my return to the district I have made a careful study as to the sentiment in the district and state and I believe there is no little sentiment, and a growing sentiment among republicans, that I do not truly represent their views on the tariff question. Believing this condition to exist and knowing that I do not agree with many of my people that trusts, to which I am and have been opposed, can be cured or the people benefited by free trade, in whole or in part, I must decline to accept the nomination so generously and enthusiastically made.

"I have devoted twenty of the best years of my life to the service of my people and my country and I have fought for what I believed to be best for the farmer, the laborer and the business interests of this district and state. I am grateful for the devotion that ever has been accorded me and to the hour of my death I shall hold in a grateful heart the memory of that devotion. I will give, later on in some detail, my views and convictions on our conditions and on public questions and will state my reasons why the republican party and its policies should issue in

United States and why the doctrines of the democracy should find no lodgment in the faith and teachings of the republican party. Very truly yours, D. B. Henderson."

Speaker Henderson gave out an address last evening which states his views on the tariff and trust questions, and states that because these views, in his opinion, are not in accord with the state platform and with the opinions of prominent members of his party, he declines to accept the nomination.

The address is "to the republican voters of the Third Iowa district." He says, being a republican, he is a protectionist, and if he ever entertained a doubt as to the wisdom of a protective policy, a hasty comparison between the present and the past would blot out such doubt. He then speaks with satisfaction of the tariff plank of the last two national platforms.

M'GINNIS FAMILY HAS FLED

THEIR BOND IS NOT HELD TO BE FORFEITED.

Unexpected Rulings in Case Brought by Board of Guardians and Tried in Huntington.

The hearing of the case of the Allen county board of children's guardians against the parents of Iona McGinnis, to compel them to deliver the daughter to the care of the board, was terminated in a most unsatisfactory manner before Judge Brannan, of the Huntington circuit court, yesterday. The case was taken to Huntington on a change of venue and yesterday a number of witnesses went to the adjacent county seat to testify, while Hon. H. I. Smith, a member of aid attorney for the board, conducted the prosecution. The testimony was of a most revolting character, entirely unfit for publication, and no more palatable in even a reference form. Several Fort Wayne ladies testified very reluctantly and a number of affidavits and depositions were read showing the bestiality practiced by the girl, who is yet a child. The direct evidence implicated a well known grocer and a railroad engineer. After hearing the testimony the custody of the child was awarded to the board, but the child could not be found. When the case was venued the bond was fixed at \$100, which was furnished by a man named McBride, who qualified that he owned a farm. Neither the parents nor the girl appeared in court when the case was called and after the award was made Attorney Smith made a motion to forfeit the bond, which motion was overruled by the judge, for what reason no one knows. Mr. Smith says that he supposed that the object of a bond was to compel presence or forfeiture in case of failure without a satisfactory reason, but admits that the overruling was in line with other rulings made by the judge, which were not, he says, such as would be expected from so high a judicial source.

McGinnis and family live in Lakeside and investigation showed that Mr. and Mrs. McGinnis and the little girl were driven to Huntington on Monday evening, where they took the 4:30 train north on the Grand Rapids road. They bought no tickets, but Sheriff Stout says he can locate them at any time. If the girl is in the state she will be brought back by legal process, and if she is not in the state, Mr. Smith says the board don't want her. The house in Lakeside is occupied by other members of the McGinnis family and it is thought that after the present excitement blows over the parents and the girl will return.

DE. BANNING BROUGHT HOME.

Dr. E. P. Banning, who was seriously injured by being struck by a passenger train in Chicago several weeks ago, was brought home yesterday afternoon and taken to Hope hospital, and this afternoon was taken to his home, corner of Washington and College streets. Dr. Banning sustained a fracture of the left femur and an injury to his spine, and for a time his condition was critical. He is doing as well as can be expected and will recover if no complications occur. He is under the care of Dr. Merz.

MARRIAGE LICENSES.

James Stewart and May Gooding. John E. English and Edna B. Belinger.

Born to Mr. and Mrs. Charles Scott, of Wooster, Ohio—twin daughters. Mrs. Scott will be remembered as Miss Anna Touhey, formerly of this city.

A SHOCKING CRIME

TWO LITTLE GIRLS BRUTALLY ASSAULTED.

ONE NOT EXPECTED TO LIVE

HAMILTON, OHIO, EXCITED BY ATROCIOUS DEED.

BLOODHOUNDS FIND TRAIL

JOSEPH ROTH, A GARDENER, CHARGED WITH CRIME.

Hamilton, O., Sept. 17.—A brutal assault upon two little girls, aged 5 and 6 years, daughters of Charles H. Motzen, has caused intense excitement. According to the story of one of the girls, a stranger yesterday enticed them with candy into an alley and when they tried to get away he seized them both by the throat and dragged them to a lot overgrown with high weeds. He struck one on the head with a blunt weapon and cut the head of the other. When the outrage became known several hundred citizens began a search. Bloodhounds led to a house occupied by Joseph Roth, a gardener. He was arrested but vigorously denied any guilt. One of the children is not expected to live. The dogs went over the trail loose and went up a stairway to Roth's room.

GRAND JURY ENDS LABORS

A LARGE NUMBER OF INDICTMENTS RETURNED.

List Not Given Out, But it is Known

William Meyer is Indicted in Base Ball Case.

The grand jury completed its labors last night after a long and busy session and this morning delivered their report to Judge O'Rourke. Over 150 witnesses were examined at the session, some ninety being examined in one case alone.

The secrets of the jury room were most closely guarded, not even the prosecutor being allowed in the apartment while they were deliberating. The result of the examinations was the finding of thirty-five true bills, which are in the safe of the county clerk. Of the persons indicted a large proportion are in jail or out under bond, but contrary to the usual custom, the names of those parties already arrested are not given out for publication. Judge O'Rourke instructed Clerk Hammond to put the document under lock and key and give them no publicity whatever. Asked whether the names of persons in jail could be given out the judge remarked it would be best to carefully enter all the indictments first and then as carefully check them up with the sheriff's register and thus avoid any possible mistake or confusion. Later a partial list of the indictments can be had. The Sentinel learns, however, upon indisputable authority, that William Meyer, late auditor and also president of last year's Western base ball association, was indicted for embezzlement. The indictment is in one count and charges the embezzlement of \$500, the money of the Fort Wayne base ball club, placed in his hands as guarantee money. When the season closed this money, together with the deposits of the other clubs of the league, was missing. Suit was first instituted by E. S. Barnard, of the Columbus base ball club and later Wheeling, Toledo and Fort Wayne joined in the suit. Wheeling and Toledo withdrew, but Barnard and the Fort Wayne management insisted on prosecution. Mr. Barnard was here from Columbus to testify before the grand jury, but for some reason only the Fort Wayne case was pushed and with the above result.

OTHER INDICTMENTS.

Among the indictments returned against persons now in jail or under bond upon whom Sheriff Stout, this afternoon made service are Rose Chamberlain (Shambina), petit larceny; Wilbur Moore, petit larceny; Roy Weinbrüner, petit larceny; Joseph Barkdoll, assault with intent to commit rape, all of whom are in jail. Others are Frank J. Rust, for sodomy; Leonard Duntan, for petit larceny; Ernest Roy, petit larceny. Three men were also indicted for selling liquor to minors.

An indictment was also returned against Dr. J. L. Hickman for abortion. The doctor is out under bond and will renew the same this afternoon.

turned against George Mullin, the base ball player, charging perjury, but that is only rumor.

COURT HOUSE NOTES.

The executive committee of this dedication committee did not meet with the county commissioners today as was yesterday announced, but will meet tomorrow to complete final details.

Deputy Sheriff Jules Huguenard is stepping around on his tiptoes today and scarcely deigns to notice anybody short of a bank president. The occasion of all this high-mindedness is the fact that yesterday a boy baby arrived at the home of his son, Will Huguenard, which makes the genial deputy the youngest looking grandpa in the grand-daddy industry.

A. A. Martin, the liverman, today filed a suit against William Lynch and five others for damages in the sum of \$250. Lynch and his fellows rented a rig of Marth last June and besides wrecking the buggy, overdrove the horse so that he has been practically useless ever since.

WILL CONDEMN RIGHT-OF-WAY

LIMA LINE MAY HAVE TO APPEAL TO COURTS

Unable to Agree on Price With Jefferson Township Farmers—Work is Moving.

The Fort Wayne, Van Wert and Lima traction company, which now has under construction the inter-urban line eastward from Fort Wayne, has struck a small snag in Jefferson township and will probably have to appeal to the courts to enforce a right-of-way through several tracts of land.

For the most part the securing of the right-of-way has been accomplished with little difficulty by F. P. Edson, of Van Wert, who has had this portion of the work in charge. In a number of instances, however, notably in Jefferson township, the company and the farmers have been unable to agree upon a price for the forty-foot strip of land necessary for the road. The work of grading is approaching a point where this will mean delay unless there is adjustment very soon, and an officer of the company stated to the Sentinel this morning that condemnation proceedings would be brought in the courts shortly.

The grading contractors are steadily increasing their force and it is hoped very soon to have a force sufficient to complete three miles of grading each week. While everything in this connection is moving smoothly, officials of the road say they will be entirely satisfied if the road can be gotten in operation by July 1. It is pointed out that winter will likely impede operations very considerably.

LOCAL LINES.

The Busy Bees of Calvary U. B. church will give a chicken supper tomorrow evening at the home of C. M. Menefee, 2440 Thomas street.

The Tharba society of Emanuel Lutheran church will meet tomorrow afternoon at 2 o'clock at the school hall, Wilt and Union streets.

Rev. Louis Jacobs, who has been at Mackinac to get relief from his fever, is visiting his parents, Mr. and Mrs. C. W. Jacobs, of Washington boulevard. Rev. Jacobs will return to his charge near Perryville, Pa., in about a week.

Mrs. Charles E. Taylor, of Madison street, has gone to Archbald, Ohio, to attend the funeral of her grandmother, Mrs. Eulalie Druhot, who was 94 years old. The deceased was a pioneer of Archbald and one of the best known residents of that city and county.

Mr. and Mrs. George S. McKee, of Mobile, Ala., who were here to visit with Mr. McKee's mother a couple of days, left for their home at noon. Their daughters, who have been spending a few weeks in the north-west, will join them at St. Louis and accompany them to Mobile.

Albert G. Pressler, of 302 West DeWald street, employed in the Bass foundry, was operated on for appendicitis this morning at Hope hospital by Dr. C. H. English, assisted by Dr. W. W. Barnett and Dr. E. E. Morgan. Mr. Pressler has had recurrent attacks every three or four months for the past two years. The operation was entirely successful.

Mrs. Frank E. Purcell entertained a company of young people yesterday afternoon and evening at the Hotel Rich annex, in celebration of her daughter, Marian's, birthday anniversary. The rooms were prettily decorated with autumn roses and smilax. On the dining table stood a birthday cake with ten candles, one for each year. Miss Purcell delighted her guests with her splendid singing and dancing. Miss Fannie Harlbut assisted Mrs. Purcell in entertaining.

NO SPECIAL LEVY

COUNCIL AGAINST PAVING ASSESSMENT.

TURN DOWN MAYOR'S PLAN

CITY TAX LEVY TO REMAIN AS IT HAS BEEN.

LONG EXECUTIVE SESSION

WILL MEET AGAIN NEXT MONDAY NIGHT.

The council met last night in committee of the whole to consider the tax levy and appropriations. The session was an executive one and lasted until 11 o'clock, when an adjournment was taken until Monday evening, no measures submitted having been disposed of except that it was concluded to allow the street appropriation to remain at \$15,000 and it was decided to increase the police force by two men. All the councilmen were present with the exception of Borkenstein, Hench and Miller.

Before the business of the evening was commenced R. B. Hanna appeared before the body for the purpose of extending to the members a formal invitation to be the guests of the Southwestern Traction company and the Rock Asphalt Paving company on a trolley trip to Wabash this afternoon. A number of councilmen said they would go and were informed that a car would be in waiting for them at 1 o'clock this afternoon.

TAKE UP MAYOR'S PROPOSAL.

Upon motion of Councilman Baker the council then went into executive session and the reporters and others were gently but firmly fired out into the thence. The mayor's recommendation to increase the appropriations for street purposes from \$15,000 to \$40,000 was first taken up, and when it was laid down again it was considerably the worse for wear. While some of the members favored it and agreed with the mayor that the city should not stand in the way of street improvements when the property owners were willing to pay their share of the freight, but a majority opposed it. It was shown that the extra allowance could not be made without increasing the tax levy and this it was deemed inexpedient to do. It was also demonstrated that there would be \$8,000 additional left over to add to the \$15,000 appropriation, which it was thought would be ample for the city's end of the improvement bill next year, and upon motion the appropriation was allowed to remain at the old figure. The tax levy was not fixed, but was very apparent that when it is fixed it will be at one dollar flat.

TWO MORE POLICEMEN.

Captain Whitney was called before the committee and questioned concerning the police force, and he explained satisfactorily that the present force is inadequate to cover the territory patrolled and it was then decided to provide for two additional patrolmen. This was not expected, but on the theory that half a loaf is better than no bread at all, the slight increase will have to do. The appropriations asked for by Health Commissioner Macbeth were also considered, but not passed upon, the committee desiring further information before making the allowance. It is not unlikely, however, that the \$1,000 asked for to apply to the contagious disease fund will be allowed exclusive of an allowance to provide for a contagion hospital. Several other matters of minor importance were also passed over to next Monday night.

WANT SOUTH SIDE MARKET.

Mayor Berghoff has been importuned by L. E. Curdes and other south-siders to use his best endeavors to have a second market established somewhere more accessible to south side residents than the present market on Barr street, which is several miles away from the southwest portion of the city. The mayor did not much encourage the plan and cited the fact that previous efforts have been made to sustain two markets and each had met with ignominious failure. It was then argued that that was many years ago—more than twenty-five—and at a time when the population was little more than half of what it now is. The mayor said he would consider the matter and the project will probably reach the council in some form at the next regular meeting.

CITY HALL NOTES.

Contractor Peter has broken his white horse record on the Maumee avenue job and this morning several teams were put to work none of which contained a white horse. Two squares of the street have been torn up and the excavating is progressing.

ing very satisfactorily and rapidly. Mrs. Christian Dreibeiss has been granted a permit to build a house on Walnut street at a cost of \$900, and Frank Homsher will build on Calhoun street at a cost of \$1,800.

MR. ROBINSON'S MEETINGS.

The local campaign is booming with a big B. Tonight there will be a meeting at the poor farm school house, tomorrow night at Jefferson Center, on Friday night at Monroeville and on Saturday night at Leo. At all these meetings Congressman Robinson will be the principal speaker and he will be accompanied to the various points by all the candidates on the county democratic ticket, or at least it is expected that all of them will go.

MRS. PATTERSON NO MORE

DIED EARLY TODAY FROM CANCER OF STOMACH.

Celebrated Golden Wedding Anniversary in July—Was Long an Invalid.

Mrs. Anna Patterson, wife of Robert B. Patterson, died at an early hour this morning at the residence

MRS. R. B. PATTERSON.

of her son, G. A. Patterson, 2707 Hoagland avenue, at the age of 67 years. Death was due to cancer of the stomach, and it followed an illness of fourteen months.

Mrs. Patterson was a native of Niagara county, N. Y., and came with her husband to Fort Wayne twenty-four years ago. Mr. and Mrs. Patterson celebrated the fiftieth anniversary of their wedding on July 24 last. They were married at Williamsville, N. Y., resided at North Tonawanda, later removed to Illinois and finally to Girard, Mich., from which city they came to Fort Wayne.

Surviving are the husband and three children—G. A. Patterson, a machinist in the Lake Erie and Western shops in this city; Mrs. T. J. Tappenden, of Girard, Mich.; and Miss Emma Patterson, of this city. There are eleven grandchildren and one great-grandchild.

Mrs. Patterson was an estimable woman, with many friends, and she had been for some years a member of the Wayne Street M. E. church. The interment will occur at Girard, Mich.

ALLEN COUNTY TEACHER HAS A COMMISSION.

Linus A. Lenhart Sails Saturday to Begin Duties in Uncle Sam's Colony.

Linus A. Lenhart, of Maples, for twelve years a teacher in the public schools of Allen county, has secured a federal appointment in Porto Rico and will sail from New York on Saturday for that island.

Mr. Lenhart is appointed an instructor in languages in the schools recently established in Porto Rico and the place is worth about \$1,800 per year. His commission has just arrived and he will lose no time in getting into the work. Mr. Lenhart is quite well known among the educators of the county and has always stood high in favor as an instructor. The new field promises to be very agreeable and the young man is receiving the congratulations of a large number of friends over his success in landing the appointment.

AMERICAN MARINES ON GUARD

Columbus, Sept. 17.—American marines are now traveling as guards on the passenger trains to and from Panama. The United States cruiser Cincinnati landed fifty marines today and also sent ashore a small rapid-fire gun, which was placed on a railroad track protected by iron plates.

WILL FIX TAX LEVY TO NIGHT

COUNCIL TO MEET IN COMMITTEE.

TEE OF THE WHOLE.

Advance Opinion Seems to Favor Increase for Improvements—City Hall Notes.

The city council has been called to meet in committee of the whole tonight to discuss appropriations and fix the tax levy for next year. The question of continuing the municipal light levy will also come in for a large share of the discussion. Recently the mayor indicated that the levy should be fixed so as to allow at least \$40,000 for street improvement purposes, arguing that so long as the property owners and tax payers were clamoring for street improvements and were willing to pay the pipe the city should not stand in the way of progress in that direction. The mayor's suggestions have been taken root and it is believed that the appropriation asked for by the board of works will be provided for. There will be some objection, of course, in certain quarters and a "watch dog" or two may offer opposition, but the general opinion so far as can be learned favors the increased appropriation. The committee will also probably sit as a council and make the appropriation of \$1,000 to the contagious disease fund asked for by the board of health and recommended by the finance committee.

ABOUT THE CITY HALL.
The finance committee met with the comptroller last night and checked up the latter's books. They also decided to recommend the appropriation of \$1,000 asked for by the board of health for the purpose of caring for contagious diseases.

The board of works held an uneventful session yesterday afternoon. The contract for building sidewalks on both sides of Fourth street and for grading the approaches to the Lake Shore railway on the same thoroughfare was let to C. E. Moeller & Co., and several sidewalk contractors' bonds were approved.

Contractor Peter certainly has a sweet tooth somewhere for white horses. This morning four additional teams were put to work and in each one there was a white horse, making eighteen white horses in thirteen teams. Contractor Peter, it must be known, sports a luxuriant growth of beautiful auburn hair, which may partly account for his predilection for white horses.

License Officer Tremmel is busy collecting dog taxes and each morning hands over to the comptroller a pocketful of pig iron dollars.

Building permits have been issued to Harry McAfee to build a house on Crescent avenue, to cost \$1,100; William Whitfield, two houses on Swinney avenue, to cost \$1,500 each, and A. Lackey, house on Columbia avenue, to cost \$1,000. It will be noticed that Lakeside is trying to monopolize the late building boom.

PRACTICED AT OTHER BARS

BUT HAD BETTER LUCK IN POLICE COURT TODAY.

Session Was Nearly a Waterhault—Minor Notes in Police Circles.

Police court made a waterhault this morning, only one offender being before the bar of justice and he got away. He had been practicing at other bars where men usually do injustice to themselves and get their sentence out of a black bottle with a wooden cork. William Kelly was the prisoner and he acknowledged that he was drunk when arrested, said he was sorry and would never do it again. He is a hardworking man, with a family to support, and it was his first offense, whereupon the judge suspended sentence during good behavior.

MINOR POLICE NOTES.

The 13-year-old son of George Jasp, of Knitters avenue, was reported missing from home last night.

The bicycle picked up by Officer Thomas several days ago was claimed last night by W. S. Haskell, of 1225 Calhoun street.

The patrol wagon was called to the Nickel Plate depot twice last night to carry away wounded men. The first was Charles Lotz, a dining car cook, who was struck by a switch engine in the yards at Bellevue, O., and was taken to his home at 203 Fifth street, and the other was William Kelly, a trainman hurt at Lockwood, a small station near Hammond. The latter was taken to St. Joe hospital.

The attention of the street commissioner was called to a dangerous defect in the sidewalk on Dawson street.

Ed Kleindinst has recovered his fox terrier, "Doc," or rather the dog recovered himself. He returned

home yesterday afternoon with a piece of rope attached around his neck. The wise canine had chewed the rope in two and made his escape. Mr. Mautner's dog has been located and will be recovered by the police department today.

THE MEDICINE TEST

GREAT FREE DISTRIBUTION NOW GOING ON.

1,000 Bottles Given Away to Applicants Yesterday—The Chance to Obtain Free Medicine Ends at 8 O'clock Tonight.

WE WANT THE WORST CASES TO BE FOUND SO THAT THE TEST MAY BE THOROUGH AND DECISIVE.

All Who are Afflicted With Nervous Headache, Insomnia or Sleeplessness, Hysteria, Chorea or St. Vitus' Dance, Epileptic Fits or Falling Sickness, Should at Once Go to the Office of the Fort Wayne Journal-Gazette and Get the Free Test Treatment Which Dr. Lindley Has Supplied for Distribution.

In yesterday's edition of this paper we informed our readers of the great test of Dr. Lindley's cure for nervous headache, insomnia, chorea and epilepsy, to be made in this city, of which the free distribution at the Journal-Gazette office was a feature, and advised those of our readers in need of treatment for such ailments to take advantage of this opportunity to obtain without cost a supply of what is confidently claimed to be the most effective and reliable remedy known for all nervous diseases characterized by congestion, convulsion or any kind of spasmodic manifestation.

Promptly at 8 o'clock yesterday morning the great distribution at the Journal-Gazette office began. People who frequently suffer from nervous headaches, nervous ladies, overworked business men whose cares go with them to bed and prevent sleep, children with the constant jerking of St. Vitus' dance, and quite a number who are subject to epileptic fits or falling sickness, made up the total of 1,000 who propose to take advantage of this favorable opportunity to test the medicine free. There is considerable of the medicine yet on hand and all sufferers are invited to call and get a supply before 8 o'clock tonight, when the free distribution will come to an end.

In Saturday's paper we spoke of the doctor's very plausible theory regarding these diseases.

If Dr. Lindley is correct in his views, which are based on over thirty years' experience in the specific treatment of these diseases, all of them ought to be cured by the medicine that will cure any one of them, and from long and favorable private use of his remedy the doctor is confident the great test will publicly establish the value of the medicine.

The distribution will continue throughout today, closing promptly at 8 o'clock this evening. No money is wanted. Call at the Journal-Gazette office and get the medicine if you desire to try it.

Leo Kirby, of Baltimore, Md., is in the city, the guest of his aunt, Mrs. Charles Shaw, of 1320 Cass street.

THE STRIKERS' SIDE OF IT
GOMPERS SAYS UNIONS ARE
ABLE TO HOLD OUT.

New York, Sept. 16.—A conference of the leading anthracite coal interests was held this afternoon at the Philadelphia and Reading company's offices. Those present included President Baer, of the Reading road; President Truesdale, of the Delaware, Lackawanna and Western; President Fowler, of the New York, Ontario and Western; President Walters, of the Lehigh Valley; President Olyphant, of the Delaware and Hudson; Irving Strauss, of Cox's Bros. & Co., and John Markle, of G. B. Markle & Co. The two last-named represented the independent operating interests in the hard coal industry.

The precise subjects of the conference could not be learned, but it was stated in advance of the meeting that no concessions would be granted, and that recent events of a semi-political character would not be seriously considered.

MARKLE IS EMPHATIC.
Following a meeting with J. F. Morgan, John Markle made this statement:

"I do not think it necessary to repeat that all talk of concessions on the part of the operators is foolish, and is certainly without foundation. Our position now is the same as when Mitchell made his original propositions, and no different than when the strike began.

"We said then that we would make no concessions and we repeat it now. There is no reason why this should not be understood. The operators have shown that they mean it, and I repeat it only by way of emphasis.

"There is just one way to end the strike—by the men returning to work and every day they remain away by giving willing ear to Mitchell's specious promises will only entail further loss and suffering to them. Conditions are improving daily; more men are returning to work and more coal is being mined.

"So far as recent attempts at settlement are concerned, it is only necessary to add that every effort from Senator Hanna's down has been futile. We have defined our position and will maintain it."

MINERS HAVE FUNDS.

Wilkesbarre, Pa., Sept. 16.—Samuel Gompers, president of the American Federation of Labor, arrived in town this morning. He at once went to President Mitchell's headquarters, where he met National Treasurer Wilson and the district presidents of the United Mine Workers.

Mr. Gompers and the executive officers of the miners' union held a lengthy conference. Before he went to the meeting Mr. Gompers was asked what his mission here was. He replied that he came to confer with Mr. Mitchell and the other officers of the union regarding the strike. It was stated that after the conference a statement will be given out.

At 1 o'clock the conference adjourned for dinner. Mr. Gompers was the only one who would speak regarding the deliberations. He said the strike situation was discussed in all its phases; the finances were found to be in a good condition; the relief funds were coming in promptly, and there was no reason why the strike should not continue without inflicting any hardship on the strikers.

Mr. Gompers was asked whether it was proposed to levy an extra assessment in order to help the miners out. He declined to answer the question. He also refused to say whether the American Federation of Labor will be convened in extra session to take action on the strike.

SEVERS ARTERY IN HIS HEAD

**HENRY STEMMLER NEARLY
BLED TO DEATH.**

Fell From a Fence on Some Broken Glass and Cut a Gash Several Inches Long.

Henry Stemmler, of 1414 Eliza street, a cigarmaker employed by Frank J. Gruber, had a narrow escape from death through loss of blood yesterday afternoon, and the accident would doubtless have had a fatal ending had it not been for the prompt arrival of a physician.

Mr. Stemmler was making some repairs to his fence yesterday when a board gave way, and he was precipitated headforemost into a heap of broken glass. A jagged edge of a broken bottle inflicted a gash about seven inches long in the top of his head, completely severing an artery. Mr. Stemmler was able to reach the house and a physician was hurriedly summoned.

The injured man lost a great quantity of blood and but for the timely services of a doctor, would have bled to death. Fifteen stitches were necessary to close the wound. Mr. Stemmler will be unable to resume work for some time.

State Department Asks Protection for Mr. and Mrs. Morgan and Miss Linley.

Washington, Sept. 16.—The department of state has requested the Mexican embassy here to use its good offices in protecting the lives of Mr. and Mrs. Everett Morgan and Miss Sarah Linley, residents of Plainfield, Indiana, who are missionaries at Colotovi, Mexico. It is learned by the department that the natives of that place have threatened to take the lives of the party unless they shall leave by tomorrow. The missionaries have been in Colotovi about a year, having been sent there by the board of foreign missions. The Mexican embassy has forwarded the request to the authorities at Mexico, asking that steps be taken to protect the parties in question.

SKIN GRAFTING NECESSARY.

The physicians in attendance on Mrs. Adolph Grosjean, of Academie, who is a patient at St. Joseph hospital and slowly convalescent from an attack of blood poisoning, have found it necessary to resort to skin grafting in order to save the patient's limb. Some weeks ago Mrs. Grosjean dropped a pair of scissors on her foot, one of the points penetrating over an inch. Blood poisoning set in and she was brought to St. Joseph hospital, where she underwent a very severe operation. Relatives contributed several square inches of healthy cuticle, which was grafted on the affected limb, and the physicians state that Mrs. Grosjean will make a complete recovery.

WRIGHT WINS OUT.

Des Moines, Ia., Sept. 16.—R. E. Wright, of Allentown, Pa., was today elected deputy grand scribe by the sovereign grand lodge of Odd Fellows in session here. He was chosen on the second ballot after a heated contest, defeating W. S. Nye, of Minneapolis; E. S. Conway, of Chicago, and Massena Bullard, of Helena, Mont. The chief contest was over this office, as by custom the deputy grand scribe will be chosen grand scribe at the next meeting.

Mr. Wright is a brother of Mrs. Cassius C. Miller, of West Berry street, this city.

MUCH IS MYSTERY

**IN DEATH OF NICHOLAS FISHL
NEW YORK BANKER.**

**HAD TROUBLE IN A SALOON
LATER IS FOUND UNCONSCIOUS
ON THE STREET.**

**THREE SUSPECTS ARRESTED
FISH A DESCENDANT OF FINE
OLD FAMILY.**

New York, Sept. 16.—Nicholas Fish, millionaire, diplomat and descendant of one of the best known of American families, died at the Roosevelt hospital at 3:25 this morning, the result of an injury received in Erhardt's saloon, 205 West Thirty-fourth street, yesterday. Whether he was murdered or fell the police have not yet determined. Conflicting stories such as would naturally follow an event in which criminal responsibility must be placed are told, but there seems to be no doubt that Mr. Fish had a quarrel with a private detective named Thomas J. Sharkey, who joined the bankers at a table where he had been for several hours drinking with Mrs. Libby J. Phillips and Mrs. Nellie Casey.

Mrs. Libby J. Phillips, thirty-eight years old; Mrs. Nellie Casey, thirty years old, and Thomas J. Sharkey, forty-eight years old, a private detective, were arrested early today in connection with the case.

According to the police Mr. Fish entered Erhardt's saloon, 205 West Thirty-fourth street, yesterday afternoon with Mrs. Phillips and Mrs. Casey. The police say that Mrs. Phillips knew who Fish was, but that neither Mrs. Casey nor Sharkey, who subsequently joined the party, were aware of his identity. Sharkey, who knew the women, was not reluctant to join the party when one of the women invited him to. The police say that Fish did most of the buying. Fish then discovered that his money was exhausted, and he announced that he would have to draw a check. Sharkey, ignorant of Fish's identity, questioned his ability to make his check good. Fish, it is said, took offense at this and angry words ensued. Then, according to the police, someone slapped Fish's face. One of the women, clinging to Fish's arm, dragged him toward the door of the saloon and out to the sidewalk. The police say that Sharkey attempted to follow Fish, but was for a moment restrained from doing so by the other woman. He finally went out of the saloon and he and Fish encountered each other on the sidewalk. Sharkey's hat had been knocked off and he was bareheaded. There was a scuffle, by whom commenced it is not known.

FELL OR WAS HIT.
Fish fell or was knocked down, his head striking a flagstone. Just before the scuffle on the sidewalk commenced Mrs. Casey, becoming alarmed, hurriedly left the party. After Fish fell it is said that Sharkey re-entered the saloon and then left it and went into a saloon a few doors away, and a moment later left that place and boarded a street car. He was closely followed by Mrs. Phillips, who was carrying his hat and who also boarded the car. Fish was lying unconscious on the sidewalk and a knot of people gathered about him and some men carried him into the hallway of the saloon and tried to revive him. Being unsuccessful, they again brought him to the street, thinking he might revive there. He was lying on the street when a policeman appeared. The officer called an ambulance from Roosevelt hospital. Fish's identity was not learned until the hospital was reached and his clothing searched. As soon as it was learned who he was he was entered as a private patient.

Mrs. Casey, Mrs. Phillips and Sharkey were arraigned today in police court and were held for the coroner. A detective said to the sitting magistrate that the prisoners were arraigned as suspicious persons in connection with the death of Nicholas Fish.

Mrs. Casey denied all knowledge of the case. Mrs. Phillips, when questioned about the case, said: "You'll find out later."

WAS OF FINE FAMILY.
Banker Fish, who was fifty-three years old, was the descendant of one of the oldest and most distinguished of American families. His grandfather, Col. Nicholas Fish, fought with distinction in the battles of Harlem Heights, Saratoga and Yorktown, and his father, Hamilton Fish, was the first secretary of state under President Grant.

After several years in the diplomatic service he entered the banking business in this city in 1887.

Of his brothers, Hamilton is former republican speaker of the New York assembly and Stuyvesant is president of the Illinois Central railroad company. Sharkey pleads innocence. Coroner Jackson held Sharkey in \$10,000 bail and Mrs. Phillips and Mrs. Casey in \$500 bail each as witnesses.

Sharkey made the following statement preliminary to his arraignment: "I went into Erhardt's and saw these two women, with whom I am acquainted. They called out when they saw me: 'Come over and have a drink.'"

"I went over and sat down with them and after we had talked together some this Banker Fish seemed to take offense at my being there. We had a few words and all at once he drew off with his arm and struck me. Then we both got up. I went out one door and he the other. He must have stumbled down the steps and fallen in going out."

Coroner Jackson made an examination of Mr. Fish's body and after it said that no fracture of the skull had been found. He believed death had been due to paralysis of the brain, caused by a blow on the left side of the face or head. He thought that if Mr. Fish had fallen on a stone or pavement and so been injured the skull probably would have been fractured. The coroner said that a knock-out blow usually caused paralysis or concussion of the brain. The pupil of Mr. Fish's right eye was dilated, while the left was contracted, and that, the coroner said, was a symptom of paralysis of the brain.

Dr. O'Hanlon, coroner's physician, performed an autopsy on the body of Mr. Fish. He found that death was caused by cerebral hemorrhage, due to violence.

ALLEGED BRIBER CAPTURED

**CHARLES F. KELLY ARRESTED
AT LITTLE ROCK.**

Believed to Be the Man Who Distributed the \$47,000 Bribe Fund in St. Louis.

St. Louis, Mo., Sept. 16.—A telegram received today by a local newspaper stated that Delegate Charles F. Kelly, the alleged distributor of the \$47,000 bribe for the passage of the city lighting bill, has been found at Little Rock, Ark. Noble Connelly, the signer of the dispatch, refers to two county judges at the Arkansas capital as evidence of his veracity.

All the members of the house of delegates were summoned to appear before the grand jury today, which is investigating the city lighting legislation and the defeat of the street railway cases.

**A FRENCH SPEECH THAT VEILS
A THREAT.**

**JINGO MINISTER OF MARINE
SAYS FRANCE CAN CONTROL
THE MEDITERRANEAN.**

**MUST PREPARE FOR WAR
SAYS THE WORLD IS DOMINATED
BY BRUTE FORCE.**

Bizerta, Tunis, Sept. 16.—M. Pelletan, the French minister of marine, made a remarkable speech at an entertainment of the municipality yesterday evening, which it is expected will cause the French foreign minister, M. Delcasse, some trouble to explain. After pointing out the importance of Bizerta as a bulwark of France, M. Pelletan proceeded:

"We do not say we want to make the Mediterranean a French lake. We have been cured of the dreams of great men who wished us to dominate the world. But part of the Mediterranean is French and will remain French. With this powerful rampart so well situated for defense and also for attack, and with Corsica and Toulon, we can hold the open door between the two halves of the Mediterranean in spite of Malta and Gibraltar. Certainly I do not desire a conflict of peoples against England any more than against Italy, but as we do not know what others are doing, it is part of our duty to prepare for the worst; for the French fatherland against its enemies who ever they may be. I am convinced, thanks to the fellow workers with whom I am surrounded, that we can face every eventuality. Security hardly exists any more for the civilized world. At the end of the nineteenth century, after the defeat of France by the barbarism of Old Germany, we saw an offensive return of the law of brute force. The whole world seemed to be dominated by the maxim: 'Might before right.' We must then devote all our efforts to keeping intact that focus of justice and light—French genius."

M. Pelletan concluded with remarking that he would not say more at present. He had not yet become accustomed to being a minister and feared he might be carried away into expressing his opinions of matters which exclusively concerned the foreign minister.

France has at Bizerta a powerful military and naval stronghold, which, with Toulon on the north of the Mediterranean, French military and naval men assert that France's naval power in the west of the Mediterranean is unassailable and that all that is required to consolidate the position of France is the construction of the so-called canal of two seas, which is to unite the Mediterranean with the Bay of Biscay and thus render her independent of the Straits of Gibraltar.

WILL ASK GOVERNMENT AID

**IN QUELLING BIG WESTERN
FOREST FIRES.**

Devastating Flames Sweeping Over Wide Territory Utterly Beyond Control.

Cheyenne, Wyo., Sept. 16.—Governor Richards has been informed by telephone from Grand Encampment that for many miles along the Wyoming-Colorado line north of Pearl, Col., a furious forest fire is raging, devastating everything in its path. Every effort to subdue the flames has been exhausted without effect. Governor Richards immediately communicated with Governor Orman, of Colorado, and arranged for both to send a telegram to the secretary of the interior asking for aid.

According to the latest reports there are at least eighteen serious forest fires burning in Wyoming, to say nothing of numerous smaller fires in southern Albany county that are destroying great swamps of fine pine timber in the Medicine Bow range and threatening mining buildings. Although a hundred miles away from Cheyenne, the smoke from these fires obscures the sky here and the odor of burning wood is plainly noticeable.

PROF. RENZA THOMAS MARRIES

Word was received in the city today that Prof. Renza Thomas, formerly of this city, but now located at Montgomery, Ala., was married a week ago Monday at that city. The lady who captured the professor's heart, or whose heart he captured, is a member of the Montgomery aristocracy and is reputed to be very wealthy.

Morris Evans will leave tomorrow for Poughkeepsie, N. Y., accompanied by his sister, Miss Elizabeth, who enters Yassar college.

**STATE CONVENTION TODAY
HOUSTON THE CAUCUS NOMINEE
FOR CONGRESS.**

Dover, Del., Sept. 16.—The democrats of Delaware met in state convention here today for the purpose of nominating candidates for congress, state treasurer and auditor of accounts. The delegates from the three counties of the state met in separate caucuses at 11 o'clock and owing to their long drawn out proceedings, it was nearly 2 o'clock when the convention was called to order. The fight hinged on the nomination for congress, the leaders feeling that the selection virtually meant an election, because of the regular republican and union republicans having separate candidates. The choice was conceded to Sussex county, and it was in this caucus that the principal contest was made.

There were seven candidates from Sussex and after two ballots, Henry A. Houston, of Millsboro, was nominated. The convention late this afternoon will ratify this choice unless something unforeseen occurs.

The republicans are united on candidates for state treasurer and auditor of accounts and for this reason no fight was made for these nominations by the democrats.

HOT SHOT FOR ADDICKS

After touching upon local issues the platform refers to the senatorial situation and has this to say of the efforts of J. Edward Addicks to rule Delaware politics:

"We, the delegates of the democratic voters of this state of Delaware, in state convention assembled, do declare that the question of overwhelming importance to the people of this state is whether the state shall be wholly controlled by its criminal and ignorant classes under the leadership of a commercial adventurer and his creatures, who disgracing and corrupting our politics as far as they can, only know enough of the traditions of our state to revile them and to attack the memories of those honorable and upright men under whose guidance and advice our state maintained her high position in the union.

We are in favor of a well established form of republican government and will unyieldingly oppose any movement or scheme detrimental thereto, and in upholding this doctrine we look with anxiety, apprehension and alarm upon the present management of affairs in the Philippine islands. We believe that these islands, now in our undisputed possession, should be so managed as to at least give the inhabitants speedy control of their own local affairs and an established form of republican government."

REPUBLICANS BAR NEGROES

Birmingham, Ala., Sept. 16.—The republican state convention met here at noon today, almost every county in Alabama being represented. James Bowman, former vice president of the Tennessee Coal and Iron company, acted as temporary chairman. The convention is composed exclusively of white men, being the first white republican state convention ever held in Alabama. Before the convention met the state executive committee unseated all the negro delegates. A number of prominent negroes are on hand to protest against this action, but it is not expected their protests will be heeded. Former State Senator H. L. McEldevy, of Talladega, is said to be slated for the nomination for governor and it is stated that a complete state ticket will be nominated.

WEDDED NEAR MAYSVILLE

Miss Ida Lalone and Milton Klein were united in marriage September 5, the ceremony being performed at the home of the bride's father, Joseph Lalone, near Maysville. It was a simple but impressive service, and Rev. E. A. Bunner was the officiating clergyman. Mr. and Mrs. Klein will reside in Edgerton, where the groom is a teacher in the public schools.

**ON AFTERNOON OF COURT
HOUSE DEDICATION.**

President Sends Official Acceptance of Invitation—Plan for His Reception.

Members of the committee in charge of the court house dedication ceremonies early today started upon a tour of the manufacturing establishments of the city with a request that they close on the afternoon of September 23, the day of the court house dedication. Without exception the managers of all establishments visited promptly agreed to the suggestion, and this means that their employees will be given an opportunity to attend the exercises.

The official acceptance of the invitation sent to President Roosevelt was received today by Chairman Zollars, of the invitation committee. It is handsomely inscribed upon white house stationery, and reads as follows:

The President has pleasure in accepting the courteous invitation of the committee, to be present at the dedication of the Allen County Court House, Fort Wayne, Indiana, Tuesday, September twenty-third, nineteen hundred and two.

OUTLINED ITS PLANS

Mayor Berghoff presided last yesterday afternoon at a meeting of the committee on reception to the president, and plans were made for welcoming the nation's executive in becoming fashion. The president will arrive in a special train on the Lake Erie railroad at 6:15 o'clock next Tuesday evening, and will be met at the north depot.

Here the reception committee will be in waiting with carriages and with the Fort Wayne military companies, company D, of the infantry, battery B artillery, and the Hibernian Rifles as a guard of honor, and the president and those who accompany him will be escorted to carriages by the committee, which consists of the following citizens:

Mayor Henry C. Berghoff, Col. D. N. Foster, the Hon. John H. Bass, the Hon. R. S. Taylor, the Hon. Edward O'Rourke, the Hon. H. C. Hanna, the Hon. S. B. Bond, Prof. A. Crull, the Hon. John W. White.

The procession, under the direction of Major John E. Miller and Police Superintendent Homer A. Gorsline, and headed by a squad of policemen, will then proceed to the court house over the following line of march: On Cass street to the St. Mary's bridge, on Wells street to Superior, on Superior street to Harrison, on Harrison street to Columbia, on Columbia street to Calhoun, on Calhoun street south to the court house.

The party will leave the carriages at the west door and will be taken through the building and thence to the large platform which will be located on the southeast corner of the square. Here the president will make his address, after which the party will be escorted to the Pennsylvania railroad station. Their train meanwhile will have been switched to the Pennsylvania tracks and will be in waiting to take the presidential party westward.

Hon. W. Bourke Cockran, who is to be orator of the occasion, has advised Hon. J. M. Barrett that he will leave New York on Monday afternoon, arriving in Fort Wayne at 10:25 o'clock Tuesday morning.

SUSPECTS ACQUITTED.

Chicago, Sept. 16.—The grand jury today voted "no bills" against Oscar Thompson, John Claffey and Edward Counselman, who were arrested and held to that body in connection with the Bartholomew-Mitchell murder mystery. Immediate release of the men is expected.

CHOLERA'S TERRIBLE HARVEST.

Manila, Sept. 16.—Six additional cases of cholera, including one death from that disease, have developed on board the United States transport

A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of *Mother's Friend* before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This treatment is the grandest remedy ever made."

Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake for in pain and suffering, *Mother's Friend* equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breaths is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell *Mother's Friend* for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

BARNARD BEFORE GRAND JURY

COLUMBUS MAN TESTIFIES IN BASE BALL CASE.

Jury's Work Not Nearly Done and No Report Is Expected Today.—Court News.

The grand jury is still grinding away and is not expected to make even a partial report today. This morning additional witnesses in the William Meyer base ball case were examined, the principal one being E. S. Barnard, sporting editor of the Columbus Dispatch and secretary of the Columbus base ball club. It was Mr. Barnard who first commenced proceedings against Meyer a year ago and he continues to insist upon the prosecution of the charge of misappropriation of the base ball funds of last year's Western association. Additional evidence in the Kannel case was also heard, and Superintendent Gersline and Detective Coling were also before the body on some local criminal case. It is probable that a report will be made tomorrow, although the labors of the jury are not nearly completed.

ABOUT THE COURT HOUSE.

August Blume, guardian of Minnie Meyers, has made his final report and asks to be discharged. In the case of Jonas Schlatter et al. vs. Francis Marvia a decree to quiet title was ordered by Judge Aiken this forenoon. The Lima Traction company today filed a batch of deeds conveying to it the right of way through a number of farms in this county. Daisy Maxwell has filed an application for divorce from William Maxwell. The complaint states that the couple were married in 1893 and recites a long list of cruelties perpetrated by the husband. The county commissioners will meet tomorrow with the members of the executive committee of the dedication committee. The commissioners will also at tomorrow's session appoint election inspectors for the ensuing state and county election. A good hat was found on the roof of the court house by one of the janitors today. How it got there is a mystery, but it is supposed that it was lost by some one visiting the court house tower. The hat had a hat-mark bearing the name of Fred Etzold. In the Kohlhepp divorce case, filed in the circuit court, a change of venue from Judge O'Rourke was asked for and the case was sent to Judge Aiken, from whom another change was taken. Judge Robertson was then appointed special judge to hear the case. The hearing of the case of Iona McGinnis, the little girl wanted by the board of children's guardians, is in progress at Huntington today. The case was venued to the neighboring county from the Allen circuit court. Humane Officer Schlaudroff and Deputy Sheriff Ryan are among the witnesses in attendance at Huntington today.

LOCAL LINES.

Miss Elizabeth Hess, of Chicago, is visiting Mrs. Durfee Brown, of 1408 Hayden street. Miss Lagen, of Chicago, has taken a position as trimmer in the millinery store of Mrs. Spiegel, on Broadway. Mrs. P. A. Slite and daughter, Bessie, of Muncie, are visiting Mrs. Slite's daughter, Mrs. L. Carman, of 234 East Main street. Mrs. G. W. Hill, of 215 East Woodlawn avenue, who has been visiting in Chicago for the past week, will return home this evening. The monthly business meeting of the Young Women's Bible class of the First Baptist church will be held this evening at the home of Miss Pearl Graham, 1204 Park avenue. Harry Dickmeyer, of Gay street, was pleasantly surprised by a party of about thirty friends on Sunday evening. Games and music were the amusements of the evening, luncheon being served at midnight. Architect Henry Meyer is making plans for a double frame residence which will be erected by Will Markey on his property at the corner of Ewing and Jefferson streets, on the ground formerly occupied by the Markey greenhouses. Rev. and Mrs. J. W. Lake and H. J. Nessel went to Peru at noon to attend the conference of the St. Joseph district of the United Brethren church. Rev. Nessel will present to the conference on behalf of Calvary church a request that Rev. J. W. Lake be returned to the charge. The Twenty-third Indiana battery will hold its sixteenth reunion at Huntington October 23. There are less than forty survivors of this battery and it is expected that fully two-thirds of them will attend the meeting. County Recorder Charles Gillett, James Chamberlain, Joseph Gruber and William Bright are the only Fort Wayne members of the battery. Dave C. Rice, who for the past six years has been recognized as one of the foremost musicians of Fort Wayne, and for the past three years solo clarinetist of the Park orchestra, will leave with his wife tomorrow for Montgomery, where he has accepted a winter engagement. Mr. Rice says it is doubtful whether he will return to the city next year, as he has under consideration a summer engagement at a Florida summer resort. His host of friends in this city wish him prosperity in whatever locality he chooses to pitch his tent.

ELECT CAPTAIN AND MANAGER.

A meeting of the Fort Wayne Medical College Athletic association was held this morning to choose officers of the foot ball team and to discuss plans for fall events. Jack Duke, of Sooba, Miss., was elected manager,

and Kinsey Evans was chosen captain. Duke has played on one of the large university teams of the south and has had several years' experience in foot ball. Evans is well known to Fort Wayne foot ball cranks, having been fullback on the high school team for several years, and last year on the Liberty hall team. The preliminary practice was held this afternoon on McCulloch's field, and the candidates showed up well. Manager Duke will begin work at once on a schedule, and it is the intention to bring one or two of the larger college teams to the city if dates can be secured.

DIRE DISTRESS

IT IS NEAR AT HAND TO HUNDREDS OF FORT WAYNE READERS.

Don't neglect an aching back. Backache is the kidneys' cry for help. Neglect hurrying to their aid. Means that urinary troubles follow quickly. Dire Disaster, Diabetes, Bright's Disease.

Profit by a citizen's experience. Miss Mary Arnold, of 14 Summit street, says: "Before I got Doan's Kidney Pills at Meyer Bros. & Co.'s drug store and used them I took medicine of different kinds and was under doctor's care, but neither did me any good. The doctor said I had kidney trouble, but at the same time did not give me much, if any, relief. I read about Doan's Kidney Pills and decided to try them. I had no sooner started to use them than I felt better. My backache, which had been very bad, began to bother me less and less and the dizziness also gradually began to disappear. The other symptoms of weak kidneys left me and I steadily improved until I was in better health than I had been for years."

Sold by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's—and take no other.

Every Spoonful had the Desired Effect.

Yorkshire, O.

I was 25 years of age; took nervous attack and suffered for 21 years, trying all kinds of medicines without doing me any good. I managed to say that Doan's Kidney Pills were the best I had ever used. Every spoonful strengthened me and gave refreshing sleep and good appetite and now feel better and healthier than ever before. Sincerely yours, Joseph Gillozet.

New Orleans, La., April 2, 1901.

I was suffering from St. Vitus dance for seven years. It affected my right side and I was crippled. I tried everything, but without success until I took Foster's Kidney Pills. They entirely cured me. I recommend the Tonic to all sufferers. Anna Chavannes.

J. Cline in St. Quentin Prison, Cal., writes that he had as many as 7 spasms daily before he used Foster's Kidney Pills. But now they come in 4 or 5 weeks. The pills make me eat and sleep well and have no more such severe headaches.

Doan's Kidney Pills are an excellent remedy for all urinary troubles, and are sold by all druggists. Price 50 cents. Sold by Druggists at \$1 per bottle. 6 for \$5. Large size, \$1.75. 4 bottles for \$6. In Fort Wayne by DRYER & BRO.

A GIRL'S PROBLEM.

How to Feed Herself When Running Down.

"I am a stenographer!" That statement brings up a picture of long hours of tiresome indoor confinement, close mental concentration and subsequent exhaustion and brain fog. Then comes up the food question.

A young lady in Dayton, Ohio, writes, "Some time ago I was a stenographer in a large city retail store and having the responsibility of the office work resting largely upon me my health began gradually to decline, and I stood facing the difficult problem of finding relief of some kind or leaving my situation. Worry added to my trouble; I became dyspeptic and nervous and suffered with insomnia and restlessness at night."

I was speaking of my illness one day to a trained nurse, who recommended that I begin a systematic diet of Grape-Nuts at once as she had seen its beneficial effect upon several of her patients who had suffered as I did.

So I began to use the food conscientiously. It formed my entire breakfast with perhaps Postum Coffee or some other nourishing drink and a second dish was taken at the evening meal. In about two weeks time I began to feel stronger and more hopeful; my digestion and appetite were better; I was less nervous and could sleep. I continued the diet steadily and soon courage and vitality began to revive and once more I began to think success lay somewhere in this big world for me.

My work grew smoother and easier and after seven months of this diet I could do almost twice the amount of work in a day and do it easily and without feeling exhausted.

Today I am filling a much more responsible position and do the work easily and satisfactorily. I attribute it all to Grape-Nuts, which I still continue to use. For a palatable and healthful diet, there is nothing on the market to equal it, and the fact should become of common knowledge." Name given by Postum Co., Battle Creek, Mich.

Charles T. Yerkes is said to claim that men are merely in their apprenticeship until they are 40, and that 50 is the ripe age of the business man.

Now it is Governor Stone who is suspected of an ambition to show Mark Hanna how the thing can really be done.

The exporting of American shoes is of comparatively recent growth. In 1893 this country exported only \$1,000,000 worth of boots and shoes, but for the fiscal year 1901 it sent abroad \$3,500,000 worth of boots and shoes.

The prospect is very good that St.

Louis will be able to exhibit some eldements in the penitentiary in 1904. If she is able to add to that a choice exhibit of some eminent corporation managers in jail for furnishing the bribe money it will be a model municipal exhibition.

The state of Minnesota has no valid inheritance law on its statute books. Judge Bunn, of the Ramsey county court, holds that the law of 1901 is unconstitutional and invalid, and decisions of other courts have already found irreparable flaws in the laws of 1897 and 1902, so that there is no inheritance law whatever.

Iowa has a law which provides for the confinement of habitual drunkards in insane asylums. It is popularly known as "the old-topper law," and its enforcement is reported to be having a wonderful effect. Many men who for years clung to the habit of getting drunk regularly have reformed and become more or less useful as citizens.

President Castro's proclamation of amnesty to all Venezuelan revolutionists who lay down their arms within forty days is another bright addition to the humor of the situation. Perhaps, finding other weapons useless in checking the onward march of his enemies, he has decided to try the typewriter as a last resort.

Some idea of the needs of the party accompanying President Roosevelt on his recent trip may be gained from the fact that when the dining car was started on its travels it was stocked with a total of 350 pounds of beef, 100 of lamb, 75 of ham, 25 of tongue, 120 of chicken, 50 of geese, 35 of turkey, 1 bushel of clams, 3 crates of melons, 100 pounds of butter, 20 gallons of ice cream. The list is well nigh interminable. Ten gallons of spring water were drunk every day and about 160 gallons of water are used for cooking.

The American embassy in London has again issued a circular warning the credulous in this country that the "English unclaimed estates" yield revenue only to the swindlers

who wheedle money from simple folk. This is a hoary old fraud. When Reverdy Johnson was on a mission to England he denounced the swindle with the utmost vigor. In the middle of the last century there was a mythical unclaimed estate supposed to be worth 100 million dollars. The deluded claimants in this country numbered several hundred; met annually; debated about methods of coming by their own; divided into parties or rival factions, and built all sorts of fantastic "castles in Spain" on English cloud banks. One day one of the members had a bright idea. He went to London and applied to the Bank of England for information about the funds said to be there deposited. There were no funds; no such estate; never had been and never would be. It is the same old swindle and a new generation. But consider how simple many Americans are to believe that, in a populous country like England, there should be hundreds of millions lying in banks unclaimed for generations.

WILL ORGANIZE A LEAGUE

FORT WAYNE TO HAVE PROFESSIONAL BALL IN 1903.

Manager Mautner Active in the Project and is After Young Players for the Team.

Manager Mautner has addressed communications to base ball men in a number of the cities of the defunct Western association and other promising base ball towns relative to forming a new league for next season and has received assurances from nearly all of them that they are willing to join in the project. Manager Mautner is not inclined to discuss the matter, owing to the fact that nothing definite has yet been accomplished, but it is understood that a meeting of representative base ball men will be held here or in Marion, at which definite action will be taken.

Manager Mautner has written several promising young players and already has the nucleus of a strong team. It is his intention to have the majority of the players young men who have had a few years' experience in amateur teams, with a few players who have been in the big leagues to steady them, and among those who have signified their willingness to become members of the local team are Hardy and Clark, the two best men on the Paulding independent team, and Pitcher Teal, of Tiffin. Mr. Mautner's experience in having a team made up entirely of ex-league players has not proven entirely satisfactory and he will follow the plan of Manager Armour, of Cleveland, and develop young players.

Among the cities that it is desired to include in the circuit are Dayton, Wheeling, Marion, Evansville, Terre Haute, Fort Wayne and Toledo, which has proven such a failure in the American association.

POSSE IN PURSUIT

POTNAM COUNTY FARMER COM-
MITS MURDER.

VICTIM SLAIN AT THE TABLE

JUST BECAUSE HE ATE HIS
MEAL TOO SOON.

SUICIDE HAD COFFIN READY

GENERAL NEWS IN HOOSIER
STATE TODAY.

Greencastle, Ind., Sept. 16.—Angered because his family had failed to await his arrival for the noon meal, Jack Smithson yesterday shot and instantly killed George Boswell, drove his own family from his home at the point of a gun and escaped to the woods, where a sheriff's posse is searching for him. Boswell was a highly respected farmer and was doing some work at the Smithson home, west of this city. Just before noon Smithson went home and became very angry when he was too late to sit at the table with the family. He began to abuse members of his family and had some words with Boswell, who started away from the house.

Before Boswell could reach the gate Smithson had secured a shotgun and, running out in the yard, he fired at Boswell, literally blowing off the top of his head. Going back into the house, Smithson turned on his wife and children and drove them from the house. It is believed that Smithson was either drunk or insane, as it is said the murder was without the least provocation. Immediately after the shooting the murderer made his escape, running in a southeasterly direction from his home.

It is said that being a hunter and a trapper he knows every nook and corner in the county and his capture will be a difficult matter. Bloodhounds from Roachdale were sent for, and with Sheriff Cooper and a posse of men a search for the murderer was instituted. Up until this morning his whereabouts was still unknown.

"DIVINE HEALER" FAILS.

South Bend, Ind., Sept. 16.—The suffering of Mrs. Joel McPherson, the young woman who, although in the last stages of consumption, refused to see a doctor, is at an end and death has claimed its own. She believed until the last that she would be ultimately cured by the ministrations of a "divine healer" of local repute. The woman was a step-daughter of Marion Cornwall, was only 17 years old, and about a week ago was married to Joel McPherson. The husband called the city ambulance and would have moved his bride to his home, although he knew that she could live but a few days. The last physician to attend the girl made a call during the early part of May and since that time she had been gradually succumbing to the ravages of the disease, being visited daily by the "healer."

SUICIDE HAD HIS COFFIN.

Peru, Ind., Sept. 16.—Isaac Ferru, the farmer who hanged himself in his own barn five miles south of Peru yesterday, will be buried in a coffin that he purchased in Peru July 3, 1901, for his own use. After he had made the purchase he swallowed a dose of morphine that would have killed him had not the services of a physician been secured in time. He was despondent because of ill-health. He was 65 years of age and leaves a large family.

RETURNED RAILROAD PASS.

Winamac, Ind., Sept. 16.—Judge George W. Boeman, the independent democratic candidate for judge of the Starke-Pulaski circuit against M. M. Hathaway, of Pulaski, has returned his railroad pass over the Monon to the company which issued it, accompanied with a letter explaining his action. The judge says passes are given to officials and legislators with the view to influence their actions, and as he thinks that to be wrong, he returns the document.

STREET FAIR AT WARSAW.

Warsaw, Ind., Sept. 16.—The merchants' fall festival and street carnival was opened here yesterday with a fair attendance. The attractions are varied and numerous. The merchants are preparing for a large

crowd during the rest of the week. The carnival offers from most of the kind in the fact that no queen of the carnival has been chosen. Several other of the customary features are absent but their places will be filled by other attractions.

POKAGON CLAIMS LANDS.

Laporte, Ind., Sept. 16.—Charles Pokagon, son of the famous Indian chieftain, Simon Pokagon, has employed attorneys and is looking up titles to land bordering Trail creek, in this county, with a view to bringing action in the courts to regain possession of thousands of acres of land in this section.

GOES TO SOUTH AMERICA.

Laporte, Ind., Sept. 16.—Rev. H. A. Klein will leave for New York today, where he will sail for Brazil, South America. A large German Lutheran colony has been planted in the southern part of the Brazilian republic and Rev. Mr. Klein has accepted the pastorate of the church there.

GAS IN PORTER COUNTY.

Valparaiso, Ind., Sept. 16.—While well drillers were drilling for water on the farm of Col. William Sear, north of town, a heavy flow of gas was struck yesterday at a depth of 152 feet. The drill had been at work for ten days and had penetrated slate, coal, iron, zinc and gravel.

HUNTER FATALLY SHOT.

Valparaiso, Ind., Sept. 16.—Garland Bell, aged 19 years, was shot and fatally wounded yesterday by the accidental discharge of his shotgun while getting into his boat at Calumet lake. The full charge entered his side.

TAKE CARE OF THE STOMACH.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: "Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals." Meyer Bros. & Co.

J. C. Van Am, of Chalmers, and John Busht, of Wolcottville, are in the city on real estate business.

FORTUNE FAVORS A TEXAN.

"Having distressing pains in head, back and stomach, and being without appetite, I began to use Dr. King's New Life Pills," writes W. P. Whitehead, of Kennedale, Tex., "and soon felt like a new man." Infalible in stomach and liver troubles. Only 25c at Dreier & Bro's drug store.

Miss May Besson is visiting friends in Indianapolis.

USED FOR PNEUMONIA.

Dr. J. C. Bishop, of Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Refuse substitutes. For sale by Dreier & Bro. and Pellens & Polster.

TELLS OF A GREAT GOOD DONE
—OF A CERTAIN CURE—FOR
THE NERVOUS, WEAK AND
SLEEPLESS.

Mrs. E. Shadle, of No. 34 Balzer street, Fort Wayne, Ind., says: "I think Dr. A. W. Chase's Nerve Pills I got at Meyer Bros. & Co's drug store are an excellent nerve tonic. I found them capable of making my nerves strong and of giving me good sound, natural sleep—two things I lacked, consequently I am pleased with the medicine." Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

A Life Lease

Had apparently been taken by dandruff on my scalp, writes Colonel Daniel Searles, the journalist and publisher of Butte, Mont., Jan. 10, 1900, and had adorned it with a fair-sized "skating rink," which was enlarged its area as the years rolled by. I used a couple of bottles of Newbro's Hairdressing with marvelous results. The dandruff disappeared; a new crop of hair has taken root; and the bald spot is rapidly being covered.

Send 10 cents in stamps for sample. The Hairdressing Co., Detroit, Mich. For sale by Pellens & Polster.

"FORCE"

The Ready-to-Serve Cereal

makes one chummy with good sleep.

Jim Dumps had scarcely slept a wink. All night he'd toss about and think. But that's all past—he'll no longer endure insomnia. He's found a cure! It's "Force." At night when lights are dim it soothes the nerves of "Sunny Jim."

Wouldn't it Belong to You? "I wouldn't believe it all I tried it but 'Force' is a cure for insomnia. I used to stay awake right after night. Now I eat a big bowlful of 'Force' just before going to bed, and sleep and I have become great friends again." (Always remember to apply.)

Summer Safeguards

It is the duty of the head of every household to provide against the health-perils peculiar to summer. Promptness in the treatment of these maladies would often prevent serious illness, perhaps death.—MUNYON.

Munyon's Homeopathic Home Remedies are the surest safeguards against disease. If they are not in the house they should be bought and kept on hand. In case of sudden development of the symptoms of any trouble the proper cure for that trouble should immediately be obtained at the drugstore.

For indigestion and dyspepsia take Munyon's Dyspepsia Cure. For headache from heat, or caused by nervousness or prostration, take Munyon's Headache Cure—it will cure in three minutes. For biliousness, jaundice and liver troubles Munyon's Liver Cure affords quick and permanent relief. For disorders of the blood, and eruptions that are chiefly annoying in summer, take Munyon's Blood Cure. Munyon's Rheumatism Cure is fit usually in one to three hours and in a few days cures entirely.

A separate cure for each disease; at all drug stores, 25c a vial.

Sore Hands

Red Rough Hands Itching Palms
and Painful Finger Ends.

ONE NIGHT CURE.

SOAK the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry, and anoint freely with CUTICURA OINTMENT, the great skin cure and purifier of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, feverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful.

Millions of People

Use CUTICURA SOAP, assisted by CUTICURA OINTMENT, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itches, and irritations, and for all the purposes of the toilet, bath, and nursery. Millions of Women use CUTICURA SOAP in the form of baths for annoying inflammations, chafings, and excoriations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sensitive, antiseptic purposes which readily suggest themselves to women.

COMPLETE HUMOUR CURE, \$1.

Consulting of CUTICURA SOAP (25c), to cleanse the system and scales, and soothe the thickened cuticle. CUTICURA OINTMENT (50c), to instantly allay itching, inflammation, and irritation, and soothe and heal. CUTICURA RESERVATIVE PILLS (25c), the great blood-purifier, to control and cleanse the blood. A SINGLE SET is often sufficient to cure the severest case, especially of baby humors.

LARGE CROWD WAS PRESENT

OBERHOLTZER FAMILY REUNION HELD SATURDAY.

Splendid Gathering Attended by 100 Allen and DeKalb County Relatives.

Spencerville, Ind., Sept. 10.—The Oberholtzer family reunion was held at the home of Daniel Oberholtzer, one and a half miles southwest of Spencerville Saturday. One hundred and sixty members of the family were present and the event was a proud one in the annals of the organization. For several years it has been the custom of the Oberholtzers to hold an annual memorial gathering at the home of some one of the most prominent members. Year after year the sterling worth of the family has been extolled at these meetings, and the continual growth of the organization by accretions of birth and marriage has made the membership a larger one than is common to such associations.

Guests from all parts of DeKalb and Allen counties were present, having gathered at an early hour at the charming home of past year's president, Daniel Oberholtzer. Preparations for the meeting had already been made in the grove opposite the house. Everything that skill could suggest had been arranged. The deep forest afforded a beautiful sylvan retreat in which a rustic stand, seats and tables had been placed.

At about 11 o'clock, in spite of the threatening and somewhat disagreeable weather the majority of the guests arrived, and the meeting was called to order by the president. Corollary was heartily sung by the assembled friends. Rev. Becker offered prayer.

The address of welcome was made by Daniel Oberholtzer, who extended the freedom of his domain and welcomed the visitors with true Oberholtzer heartiness. After an exchange of general felicities, a nominating committee was appointed to select officers for the ensuing year, and adjournment for dinner was announced.

For an hour and a half the woods presented a sylvan Delmonico's. Great was the amount of substantial spread before the visitors. Had the air not been so chilled, with very little imagination the scene might have impressed one as a feature from an Arabian Nights' entertainment.

After dinner the nominating committee reported the following names to the membership, who unanimously confirmed the report: George Oberholtzer, president; Ira I. Grubb, vice president; R. H. Hoon, secretary; Jas. Oberholtzer, jr., treasurer; Mrs. Ezra Horn, historian. Rev. Erick then made a short and witty address. His humorous points were fully appreciated. The remarks were of a typical "after dinner" style of oratory.

Jas. H. Keefer, of Ossian, improvised a parody on "Johnny, My Old Friend John," which further livened out the occasion. Following Rev. Hart spoke charmingly and briefly. The historian, Mrs. Ezra Horn, then read the minutes, letters of friends and members unable to be present, and the obituary of Mrs. Harriet (Oberholtzer) Horn, who died during the year. Instrumental music by Miss Winifred Hartzell followed. Remarks by Rev. Becker and Rev. Oberholtzer, followed by a song, concluded the exercises.

TEMPLE WAS PACKED.

The Masonic Temple theater was packed to the doors Sunday afternoon to hear Miss Eva Marshall Shontz, who recited passages from Bernice Babcock's famous temperance story, "At the Mercy of the State." Miss Shontz is an enthusiast in the cause in which she labors and is the possessor of wonderful oratorical powers, moving her audience to tears or laughter at will. She is very much like Frances Willard, both in personal appearance and manner, and

possessed all Miss Willard's earnestness and zeal. Miss Shontz is president of the American Young People's Christian Temperance union and came to this city under the auspices of the local branch of the W. C. T. U.

PELEE IS SUBSIDING.

New York, Sept. 15.—Grows from Mont Pelee are finally diminishing, says a Times dispatch from Martinique by way of London. The volcano is still in eruption, but its activity is now insignificant.

All necessary measures to assist the sufferers have been taken by the government. The native population is calming down.

It is the opinion of cool observers that Fort-de-France is in no way menaced, even if the dreaded tidal wave comes.

FAIR OPENS TONIGHT.

Everything is now in readiness for the opening of the five nights fair at the new entertainment hall of the Church of the Precious Blood, in Bloomingdale, tonight. The interior decorations are the handsomest ever seen in the city for a similar occasion. A number of down town business houses have erected booths and seemed to try to outvie each other in the tastefulness and magnificence of the decorations. Several canvas pavilions have been erected adjacent to the hall to take care of the overflow and in these pavilions special attractions will be shown, making a sort of midway, as it were. Shober's First Regiment orchestra will furnish music each night and tonight Congressman Robinson will make a short address.

JUDGE MORRIS BETTER.

Judge Morris, who was taken suddenly ill yesterday afternoon in the court house with an attack of cramps, passed a rather restless night, but today his condition is much improved. No apprehension for his ultimate recovery is felt, although it may be somewhat slow, the gentleman's age, 86, militating against speedy recovery.

MOSER-ROTHGEB.

The marriage of Edwin Moser and Miss Elizabeth Rothgeb was solemnized Sunday afternoon, Sept. 14, at the residence of the bride's father, Jesse Rothgeb, at Gar Creek. Rev. E. A. Bauner, of Woodburn, officiated, and the service was followed by an elaborate wedding repast. Mr. and Mrs. Moser will reside in Woodburn.

STATE OF OHIO, CITY OF TOLEDO, ss.
I, Clerk of Court, do hereby certify that the within and foregoing is a true and correct copy of the record of the marriage of Edwin Moser and Miss Elizabeth Rothgeb, as the same appears from the records of the City of Toledo, Ohio, and State of Ohio, and that said record was filed for record in the office of the Clerk of Court, at Toledo, Ohio, on the 14th day of September, 1902.

RIVER TRAFFIC ON MAUMEE

NEW ELKHART COMPANY HAS A FINANCIAL PLAN.

Expects to Ultimately Connect Lakes Michigan and Erie by Way of Fort Wayne.

Elkhart, Ind., Sept. 15.—The purpose of the St. Joseph Navigation company, whose articles of incorporation were filed at Indianapolis Friday, with a capitalization of \$25,000, is to take advantage of the deep water caused by the various dams built or projected in the St. Joseph river, dredging where necessary, to open the river for navigation from Elkhart to Lake Michigan, looks to be constructed to get around the dams. At one time the river was naturally navigable as far as Elkhart, and packets made regular trips in an easy day.

The company incorporated at Indianapolis is to operate only in Indiana, but a similar and larger company is being formed in Michigan to prosecute the work there. Though Elkhart will be the eastern terminal for some time, it is said the ultimate plan is to connect Lake Michigan with Lake Erie, by following the St. Joseph river to Mettville, Mich., thence the White Pigeon river to northeastern Indiana and by canal connecting with Cedar creek, which leads to the other St. Joseph river which flows into the Maumee at Fort Wayne, thus giving an outlet via Toledo.

IN NORTHERN INDIANA.

Mrs. E. Green, 77 years old, and a lifelong resident of Geneva, is dead. J. G. Woods, aged 42, and Miss Edith Stevens, aged 17, were married at Lagro a few days ago.

Rural route No. 5, out of Bluffton, will be abandoned unless patrons repair a long stretch of bad roads.

Earl Shirk, aged 14, died at South Bend Monday. His death is ascribed to overeating, which resulted in peritonitis.

Fire at Hartford City Sunday evening destroyed the "Legal Tender" saloon and Seiger's meat market. The loss is \$2,500.

N. J. Dickinson, of Kendallville, 68 years old and a veteran of the Twenty-first Indiana heavy artillery, died Monday.

The Wallace shows close the season September 30 at Springfield, O., and will return immediately to winter quarters in Peru.

Mayor Vaughn, of Logansport, will revive the chain gang, and proposes to make drunks work out their fines upon the streets.

At Logansport Sunday morning J. H. Hayden, of Battle Creek, fell between two cars of a Lake Shore train and was ground to pieces.

The eighty girls who went on strike at the Wabash hat works have returned to work at the old scale. Later they will demand the price for which they struck.

Emerson, the two year old son of Mr. and Mrs. Emerson Jones, of Syracuse, got hold of 25 strychnine pills, Saturday, and ate them all, dying a few hours later.

Experts selected by the city council will examine the books of ex-treasurer Rose, at Wabash, to ascertain the exact amount of his shortage before the bondsmen are called upon to settle.

It will probably be two weeks before the people of Wabash have telephone service, as the damage from the recent fire in the exchange is greater than at first supposed. It amounts to nearly \$4,000.

Dan Willman, of Hartford City, 22 years of age, is minus two fingers as a result of fooling with a dynamite cartridge. After the thing had failed to explode in a fire, Willman picked it up. It went off.

Oliver Alexander, a Pittsburg, Pa., glassblower, attempted to alight from a Lake Shore freight train at Kendallville Sunday morning. He struck against the end of a railroad

tie and fractured his skull. Death ensued a few hours later.

A drunken crowd held possession of the town of Geneva for nearly an hour Saturday evening, and five fights were in progress at one time. The oil workers in the field had just received their pay and were spending it freely. Nearly five hundred men and boys participated in the uproar. Mrs. Anthony Revard died Monday morning at her home southeast of Reanoke after several months' illness with consumption. She was forty years old and leaves a husband and a large family of children. Mr. Revard is a lineal descendant of Miskaquah, the Indian lady who is known all over northern Indiana. His occupation is training hunting dogs for eastern parties. It is thought that while caring for a pup which has been sent for training that Mrs. Revard acquired the tuberculous germ from which she died.

LINGERING SUMMER COLDS.

A PARSON'S NOBLE ACT.

"I want all the world to know," writes Rev. C. J. Budlong, of Ashaway, R. I., "what a thoroughly good and reliable medicine I found in Electric Bitters. They cured me of jaundice and liver troubles that had caused me great suffering for many years. For a genuine, all-round cure they excel anything I ever saw." Electric Bitters are the surprise of all for their wonderful work in Liver, Kidney and Stomach troubles. Don't fail to try them. Only 50 cts Satisfaction guaranteed by Dreier & Bro.

Miss Jane Wells is home from a visit in Indianapolis.

FEET SWOLLEN TO IMMENSE SIZE.

"I had kidney trouble so bad," says J. J. Cox, of Valley View, Ky., "that I could not work; my feet were swollen to immense size and I was confined to my bed and physicians were unable to give me any relief. My doctor finally prescribed Foley's Kidney Cure which made a well man of me." For sale by Dreier & Bro and Pallen & Polster.

At the Wednesday evening meeting at Plymouth Congregational church a report of Miss Stone's address at Winona will be read by several who were in attendance at the meeting.

Fall and Winter Big Trade.

It is our aim to give you more for your money, either in quality or price, than you can get anywhere else in Fort Wayne.

We have an elegant stock of goods, bought at the very lowest cash price, and offered to you under the least expensive and most economical plan of doing business of any other house in the city handling the same lines and qualities.

Confining our attention to the dry goods branch alone enables us to show as large and complete an assortment in these lines as you will find in this market.

Our dress goods stock, comprising all the latest and most desirable productions in both foreign and domestic makes, is our specialty.

Our lining department, in which we make it a point to handle the best brands that are made, proves by the large and constantly increasing business in it that good goods, to a great extent, do their own advertising.

Our trimming department is extensive and is particularly attractive just now with a full assortment of all the new Braids, Appliques, Laces, etc., that the season and styles demand.

The demand for ladies' ready-made goods has increased to a wonderful extent.

The business in our suit and cloak room has grown beyond our greatest expectations. It is here we also see the old adage proved—that the people consider best goods the cheapest goods to buy.

The greater proportion of the styles we show in this department are confined to us for this city by the best manufacturers of the country and are found nowhere else.

Our styles, finish and qualities have made our trade what it is. Our curtain and drape department has kept pace in its increase of business with the most successful in the house and is showing this fall an elegant line of goods in all grades.

In Table Linens, Towels, Crashers, Bed Spreads, Blankets, Comforts, etc., we are prepared to show you large assortments at the lowest prices.

A Quart Baby.

Now and again there is an item in the
newspapers concerning the birth of a
puny baby so small that a quart can
hold it comfortably. If the article told
all the facts it would probably tell also
of a mother who in weakness and misery
had looked forward to the baby's advent
with shrinking and fear.

To have fine, healthy children, the
mother must be healthy, and it is the
common testimony of mothers that the
use of Dr. Pierce's
Favorite Prescription
not only promotes the mother's
health but also gives
her strength to give
her child.

"I gladly recommend Dr. Pierce's Favorite
Prescription," writes Mrs. J. W. G. Stephens,
of Philadelphia, Pa. "I bore my third little
boy who was born a quart baby. He is the
finest child I have ever had, and he has been
born a quart baby. I suffered very much
before I used Dr. Pierce's Favorite Prescription.

Base Ball News.

With the exception of in the Amer-
ican association, where the race is
the closest, yesterday's games prac-
tically settled the pennant winners in
the American league and the rank of
the first division in the National
league, the winners having been
placed weeks ago. Brooklyn is safe
for second place in the National, and
by beating Boston two games Phila-
delphia Americans clinched their
hold on the pennant on the under-
side. In the American league Boston
turned out over 18,000 people to see
their club go down twice before the
Athletics. The total attendance at
American league games was 17,554,
not including the Baltimore game,
where the attendance was not an-
nounced. In the National league
Pittsburgh won its 95th game and the
attendance at four games was 5,188.
In the American association Indian-
apolis won and Louisville did not
play, thus putting the Hoosiers three
points ahead. In the only other as-
sociation game played St. Paul beat
Columbus, and the attendance was
only 830. The scores follow:

Tiffin fans will accompany the team.

THE MARKETS.

Chicago, Sept. 16.—Barrish ten-
dencies were at work at the opening
of the grain pits. The weather was
perfect for the movement of wheat
although predictions were for rain
tonight. The latter news had little
early effect. Cables were weak after
the good upturn here yesterday. Re-
ceipts of wheat were increased, there
was some sign of better grading and
the northwest was getting larger ar-
rivals. December wheat started 1/2
to 3/4 down at 88 1/2 to 87 1/2 and
dropped to 86 1/2 to 85 1/2. There was
fair support, however, and December
rallied to 87 1/2 to 86 1/2. Local receipts
were 421 cars, 15 of contract grade.
Minneapolis and Duluth reported
1,060 cars, making a total for the
three points of 1,481 cars, against
1,315 last week and 1,341 a year
ago.

There was more of a tendency to-
ward weakness in near options than
in late advices. The crowd still felt
somewhat wary of September wheat
as a result of the decision in the fu-

junction cases. This option, after
selling at 73 1/2, dropped to 72 1/2
and closed weak, 1/4 off, at 72 1/2.
December had a rally to 89 1/2, but
closed easy, 1/4 off, at 89 1/2.

Corn started weak. The weather
was favorable for crops and for
movement, damage reports from the
early frosts were few and receipts
were liberal at 450 cars. The
grading showed some improvement.
Trade early was small, but prices did
not show a serious break. December
opened 1/2 to 3/4 lower at 43 1/2 to
43 1/2 and held early between those
figures.

A little covering on fear of what
the warm weather now prevailing
might show in the damaged corn
fields took December corn to 43 1/2
at 43 1/2, but the close showed another
dip, with the option weak and 1/4
down at 43 1/2 to 43 1/2. There was
more selling in September and that
option closed weak, 1/4 off, at 58 1/2.

Oats were very dull early. There
was an easier tendency noticed as a
result of the influence of the other
pits, but receipts were not much im-
proved today and the light business
made almost no early fluctuations.
December started a shade off at
31 1/2. Receipts were 290 cars, 15
of contract grade.

Provisions started out quiet and
somewhat lower on the depressing
influence of lower hog prices at the
yards. January pork opened 2 1/2 to
to a shade off at \$16.15 to \$16.17 1/2;
January lard 5c down at \$9.27 1/2,
and January ribs 5 1/2 off at \$7.97 1/2.

THE CLOSE.

Prices at the close were as follows:
Wheat—Sept., 72 1/2; Dec., 89 1/2;
May, 70 1/2.
Corn—Sept., 58c; Oct., 52 1/2; Dec.,
43 1/2 to 43 1/2; May, 40 1/2 to 40 1/2.
Oats—Sept., 33 1/2; Oct., 20 1/2; Dec.,
31c; old, 26 1/2; May, 31 1/2 to 31 1/2.
Pork—Sept., \$16.60; Oct., \$16.75;
Jan., \$15.00; May, \$14.25.
Lard—Sept., \$10.87 1/2; Oct., \$9.82 1/2;
Dec., \$8.90; Jan., \$8.50 to \$8.52 1/2;
May, \$8.07 1/2.

Ribs—Sept., \$10.95; Oct., \$10.25;
Jan., \$7.87 1/2; May, \$7.62 1/2.
Flax—Cash N. W., \$1.35; S. W.,
\$1.35; Sept., \$1.33; Oct., \$1.29.
Rye—Sept., 48c; Dec., 49c.
Barley—Cash, 38c to 39c.
Timothy—Sept., \$2.25.
Clover—Oct., \$8.90.

CHICAGO LIVE STOCK.

Chicago, Sept. 16.—Cattle—Re-
ceipts, 9,500, including 6,000 west-
erns; market slow and weak. Good
to prime steers, \$7.50 to \$8.50; poor to
medium, \$4.25 to \$7.00; stockers and
feeders, \$2.50 to \$3.25; cows, \$1.50 to
\$5.00; heifers, \$2.50 to \$6.00; canners,
\$1.50 to \$2.50; bulls, \$2.25 to \$5.50;
calves, \$2.00 to \$7.00; Texas fed steers,
\$3.00 to \$4.50; western steers, \$2.75 to
\$5.00.

Hogs—Receipts today, 17,000; to-
morrow, 18,000; left over, 4,331;
market 10c lower. Mixed and butch-
ers, \$7.20 to \$7.90; good to choice
heavy, \$7.75 to \$8.10; rough heavy,
\$7.30 to \$7.50; light, \$7.35 to \$7.55; bulk
of sales, \$7.50 to \$7.70.

Sheep—Receipts, 23,000; market
steady. Good to choice wethers,
\$3.50 to \$4.00; fair to choice mixed,
\$2.50 to \$3.25; native lambs, \$3.50 to
\$5.50.

BUTTER, CHEESE AND EGGS.

Chicago, Sept. 16.—Butter—Market
firm; creameries, 16c to 22c; dairies,
15c to 20c.
Cheese—Market steady; twins, 10c
to 10 1/2c; dairies, 10 1/2c to 10 3/4c; young
Americans, 10 1/2c to 10 3/4c.
Eggs—Market firm, 19c to 10 1/2c.

THE DAY ON WALL STREET.

New York, Sept. 16.—Prices
showed a sagging tendency at the
opening notwithstanding the an-
nouncement of an engagement of \$2-
500,000 gold for import. The losses
were restricted to francs and
among the important stocks which
showed gains were Pennsylvania and
Missouri Pacific. The dealings were
on a very small scale.

Bear traders put out short lines
when the list failed to respond to
the gold imports and there was some
selling of long stock when money
loaned at 13 per cent. Losses reached
a moderate fraction generally, but
ran to a point or over in St. Paul,
Rock Island, Reading, Norfolk and
Western, Louisville, Wabash, Ten-
nessee Coal and some minor stocks.
Sugar preferred, Pere Marquette pre-
ferred and Stess-Sheffield Steel sold
2c off. There were some slight recov-
eries later.

Stocks held well at the rally, but
the market was virtually at a stand-
still, scarcely any of the usually ac-
tive stocks showing any life. Wis-
consin Central stocks advanced
about 2 points each. An easier call
loan rate checked the selling.
Bonds were irregular.

THE FORT WAYNE MARKETS.

Fort Wayne, Ind., Sept. 16.—Spring
wheat, \$4.00 to \$4.50; winter, hbl.,
\$3.75 to \$4.25; Graham, \$1.75 per cwt.
buckwheat, \$2.65 per cwt.; corn meal,
bolted, \$1.50 per cwt.; corn meal, un-
bolted, \$1.50 per cwt.

REBUILDING

The Broken Down Structure.

PAINE'S CELERY COMPOUND

Repairs the Diseased Parts of the Human Body and Establishes Health, Comfort and Happiness.

Can we rebuild our pain racked, emaciated and wasted bodies? Yes, the work can be done even though the spark of life glimmers but faintly and feebly. This work of rebuilding can only be effectually accomplished by the use of Paine's Celery Compound, that marvelous medicine that has saved so many lives in the past.

Paine's Celery Compound, nature's fortifier and builder, acts directly on the great nervous system, giving pure, vitalizing blood, nerve force, digestive vigor, refreshing sleep and increased weight.

Begin the good work of health building today. Take home a bottle of Paine's Celery Compound, use it faithfully and you will have cause for rejoicing and thanksgiving. Mrs. James Arthur, Spokane, Wash., a lady almost helpless from cruel rheumatism and terrible neuralgia, and cured by Paine's Celery Compound, writes thus:

"I have suffered for three years with neuralgia and rheumatism, and tried many different remedies which would give me only temporary relief. From last January, and through the spring months I suffered terribly. I could walk but a short distance, and some days not at all. I used Paine's Celery Compound and have not been troubled since. Before using the Compound my knees were so bad I could not get down or up, but now I can walk a mile or more every day, with no stiffness or lameness in the joints."

SHOP AND RAIL

MORE CHANGES AT PITTSBURG AND NICKEL PLATE.

H. PARKHURST TO CLEVELAND

AND H. W. MEYERS WILL SUCCEED HIM.

WABASH OFFICIALS ARE HERE

COME TO LOOK AFTER INTERESTS OF COMPANY.

Mr. Parkhurst, who came here three or four months ago to take a clerical position in the office of Road Supervisor John McDonald, of the Nickel Plate, has been called to a similar position with Supervisor LaBran, at Cleveland, with a handsome increase in salary. He leaves tomorrow for that city. H. W. Meyers, who left the Nickel Plate office last spring to take a position in Shop Clerk Hobrock's office, at the Pittsburgh, will return to the Nickel Plate Thursday morning, succeeding Mr. Parkhurst. This change and some that have already taken place in Mr. Hobrock's office will probably lead to some promotions in the clerical force under Mr. Hobrock and some possible changes in other departments.

SPECIAL TRAINS TUESDAY.

The necessity for extra train service on some of the railroads for the court house dedication travel, next Tuesday, has been brought to the attention of the higher officials. The Grand Rapids and Indiana company has already made arrangements for extra trains. One will come in from the north, starting at Sturgis, Mich., and arriving here at 9:30 in the morning, and leaving on the return trip at 9:30 in the evening. The train from the south will start from Portland, arrive here at 8:40 a. m. and leave at 9:30 in the evening. The Wabash's regular trains can accommodate all who wish to come here, but for the accommodation of those from the east the company will run a special out of the city as far as Defiance, leaving at 9:30 p. m. The Wabash expects to handle a big crowd, having made a very low rate for the occasion. The Lake Erie and Western transportation officials have the matter of special service before them at present and will probably decide and make the announcement tomorrow. The Pennsylvania trains are so numerous and the schedule so arranged that it is not necessary to put on special trains unless the crowd is too great for the regulars. The Chicago, Hamilton and Dayton, it is believed, will have an extra train in and out of the city on that occasion. The Nickel Plate has taken no action in the matter as yet. It is believed that the company will put on a special if it is apparent that travel will justify such a move. Otherwise the regular trains will carry all the people. The Lake Shore will depend entirely upon its regular trains, adding extra cars to each as necessity may demand.

GOOD TIMES OUT WEST.

En route home from a western tour which consumed a month Stephen G. Little, a prominent railway man, was interviewed by the St. Louis Globe-Democrat and is quoted as saying:

"I go over the same field every year, and I never before saw such a prosperous west. I can scarcely understand it. The railroads are crowded with passengers as never before. The extra passenger trains on the Burlington, the Denver and Rio Grande and other western roads are simply blocking the freight traffic, and it is difficult to get freight through between the increased number of passenger trains.

"I attribute the prosperity and unprecedented freight and passenger traffic to the great harvests we are gathering, and the crops are, after all, the basis of real wealth. But the travel is not only west, it is from the Atlantic to the Pacific.

"When I came through Pittsburgh and saw the record of 265,000 pieces of baggage handled in Pittsburgh during August, which was 33,000 more than the highest previous monthly record, I was prepared to believe that prosperity was well-nigh universal in this country."

WABASH OFFICIALS HERE.

Motive Power Superintendent J. B. Barnes, General Foreman of Car Department Frank Howard and District Freight Agent W. A. Spott, of the Wabash, are in the city today, looking after the interests of their departments. Mr. Barnes will probably remain here two or three days, arranging for some contemplated improvements at the shops.

THE TROUBLESOME BRIDGE.

Lorain Times-Herald: "The Nickel Plate bridge is nice and level now, but it has taken on new tactics. In-

stead of going down it is sliding to the north. In an hour today it went eight inches. A plow is being used to shove the dirt off to the north side of the bridge where the sink hole seems to be, and it is believed the bridge can be held in place. Several cars loaded with timber have been shipped here and are being held in readiness in case the bridge goes down any further."

THE ACCIDENTS.

John Hamilton, who operates a big boring machine at the Bass shops, received an ugly gash in the calf of his right leg yesterday afternoon which required several stitches to close. The wound is four inches long and extends to the bone. It was caused by a casting falling and striking Mr. Hamilton.

John Drahos, molder, was injured early yesterday morning by a stove he was helping to set up at his home falling upon him. On account of the accident Mr. Drahos will be unable to work for several days.

Pennsylvania Engineer O. T. Peterson had one of his hands cut while at work in the cab yesterday. He was tightening a bolt when the wrench slipped with the result mentioned.

Charles Lotz, a Nickel Plate dining car cook, was brought from Bellevue last night and taken to his home in the Ninth ward. While standing on the tracks at Bellevue he was struck by a passing engine and was considerably bruised about the hips. He will be out again in a few days. Mr. Lotz was formerly employed at the Ohneck Cafe.

UTILIZING THE NEW CRANE.

The new locomotive crane at the new car shops, and described in these columns a few days ago, is one of the most important additions to the equipment of recent years. Its power to go anywhere on railway tracks makes this crane available for special purposes and today it was run down to the new round house, where it was used to remove the stone which formed the foundation of the old car scales, recently abandoned. With this crane the heavy stone, each weighing several tons, were picked up and placed upon a car as rapidly as a man could handle stones which weigh less than 100 pounds each. The new crane was designed for work in the car erecting department, where steel underframes weighing several tons are used.

HIRED SOME MORE MEN.

Five new names appeared on the pay rolls of the Fort Wayne Electric company this morning and four men, who have been employed there for some time, resigned to take service elsewhere. The new employees are William H. Jackson and S. O. Crowley, in the laboratory; Henry W. Foss and Joseph Briggs, in the large dynamo department, and William Wehrs, in the machine department. Those who resigned are Chris Barrett, James Cunningham, John Noll and John Miller.

WEDDING COUPLES RETURN.

Charley Krommiller, who was married two or three weeks ago, returned from his wedding tour of the east last night and this morning resumed his old place in the Pittsburgh planing mills. Charley Hausbach, another new benedict, also returned from a wedding trip last night, which included a visit to Niagara Falls and Buffalo. He resumed his duties in the Wabash machine shop this morning.

WILL BUILD SAMPLE CAR.

The car shops of the Pittsburgh have been informed that three under frames for the sample XL box cars have been shipped from the pressed steel works and that they will arrive here in a day or two. As soon as these three sample cars have been built and examined by the heads of the department, the shops will take up an order for 500 of these cars and build them as rapidly as possible.

SUPT. M'KEE HERE.

Mr. and Mrs. George S. McKee, of Mobile, Ala., are in the city, the guests of Mr. McKee's mother, on Hendricks street. Mr. McKee is now superintendent of the Mobile and Ohio road.

INDUSTRIAL NOTES.

William Gil, of the Wabash 'smith shop, is sick.

A new floor is being placed in the Wabash baggage room.

The Pittsburgh, Fort Wayne and Chicago is increasing its side track room at Cleveline.

J. M. Bredenstein and Fred Geerken, of the Pittsburgh machine shop, are sick and off duty.

Mrs. Larimore, wife of Pittsburgh Engineer C. W. Larimore, will visit friends in Chicago a few days.

Assistant Master Mechanic N. M. Loney, of the Pennsylvania, has returned from a business trip to Pittsburgh.

ler, who was fishing a hook at Rome City, also resumed work at the round house this morning.

Henry Miller, a plumber, who was taking a vacation, resumed his duties in the Wabash shops this morning.

John Brien, a brass molder from Allegheny, is in the city visiting Mrs. E. O. Bradway and other relatives.

Passenger engine 1144 was turned out of the Wabash shops today and will leave tonight for the Buffalo division.

Tom C. Stonebrook, painter, reported for work at the Pittsburgh shops this morning, after a short illness.

H. J. Bley, general yardmaster at this point of the Pennsylvania, has resumed work after a vacation spent in the east.

Nickel Plate Conductor J. C. Heslin, who was looking after some private business, resumed his duties on the road today.

Machinist George Koegel, of the Fort Wayne Electric works, has moved from West Jefferson street to 630 Levisa street.

William O. France, who had his back injured a week ago, has recovered and this morning resumed work in the Pittsburgh 'smith shop.

J. W. Mollenkopf, a Pittsburgh truckman, is sick. C. A. Motter, another truckman, who was hurt a week ago, reported for duty today.

T. J. Reiling, who was attending a meeting of the International Union of Stationary Engineers, which was held at Pittsburgh, has returned home.

Erecting Engineer Frank Passino, of the Kerr Murray works, went to Coshocton, Ohio, last night to see about the installation of a gas plant.

W. F. Keisel, jr., has been appointed assistant mechanical engineer of the Pennsylvania lines at Altoona, vice A. W. Gibbs promoted.

James Trease, janitor at the Wabash freight house, and his family, have returned from Michigan, where they went a week ago to visit relatives.

The annual meeting of the stockholders and debenture bondholders of the Wabash will be held at Toledo, October 14, when thirteen directors will be elected.

Charles Smith, the carpenter, who resigned a position in the Pittsburgh shops a couple of days ago, this morning took a position, with Contractor Spraul in the erection of the new shops.

Mr. and Mrs. H. S. Borhek will soon go to Grand Rapids for a visit with relatives. Mr. Borhek is a draftsman at the Pittsburgh shops and the coming lay-off will be in the nature of a vacation.

The Wabash will have an all rail excursion to Detroit next Sunday, good returning Monday. President Roosevelt will be in Detroit on Monday and the Wabash expects to take a big crowd into that city.

Harry Hogan, who served as apprentice in the Pittsburgh machine shop during the summer vacation term, accompanied by Oscar Fox, left this morning for Notre Dame to enter upon the second year of his collegiate course.

Capt. H. Stoll, of the Pennsylvania, has been instructed to keep a look out for Clarence Gildner, aged fourteen, who is supposed to be working his way over the Pittsburgh to Chicago. The lad ran away from his home in Allegheny.

Louis Koehnman, the switchboard packer at the Fort Wayne Electric works, is very sick at his boarding house and may have to submit to a surgical operation. Charles Mulford, a winder at the works, is also quite sick, being afflicted with typhoid fever.

The coroner of Marshall county today held an inquest over the remains of Farmer Compton, who was killed between Bourbon and Inwood by a Pennsylvania engine a few days ago. H. T. Swegman, the company's claim agent, went to Inwood to attend the inquest.

Fred E. Sawyer, formerly of this city but now freight agent for the Pennsylvania at Indianapolis, is recovering from an illness that confined him ten days. The Indianapolis Journal says that Mr. Sawyer was able to sit up last Saturday for the first time since the beginning of the attack.

Conductor Stanton Smick, of the Grand Rapids and Indiana road, and his daughter, Miss Charlotte, have returned from Kenton, Ohio, where they were visiting his father, a well known attorney in that city. Mrs. Smick was unable to accompany her husband on account of an injured spine.

For the accommodation of the ticket and passenger agents the Grand Trunk road will run a special train from Chicago to Portland, Me., leaving the former place October 12 and stopping a few hours at Montreal en route. The agents held their annual convention in Portland next month.

John Ackerman, the car inspector, who had a foot cut off three or four months ago, while at work in the east yards of the Pittsburgh, went to Chicago this morning to get an artificial foot, which has been made especially for him. With the artificial member, he expects to be able to get about quite comfortably without the aid of crutches.

A 320-light dynamo for Warren-ton, Va., an 80-light arc dynamo,

with lamps and all the material for station equipments, to Missouri Valley, Iowa; a dynamo to Parris, Mexico, and a switchboard outfit for Ecuador, N. Y., were some of the shipments from the Electric works this morning.

J. Pierpont Morgan was asked on Saturday: "Is it true that President Cassatt, of the Pennsylvania system, and yourself have entered into a combination to control the trunk line roads?" His reply was: "There is no combination so far as I know. There is no necessity for such a combination. I have no interest in the Pennsylvania road."

Indianapolis Journal: "The last year the Pennsylvania added 20,000 new cars, and in addition replaced 5,000 light cars with new and heavier ones, and will do more in 1903. The shops at Fort Wayne are now gathering material for the construction of cars of 100,000 pounds capacity, and next year will, with enlarged shops, be able to build several thousand new cars in addition to repair work."

Foreman P. J. Scheid, of the round house; H. T. Thomas, a car builder, and James Chamberlain, round house gate keeper, are some of the Pennsylvania employees who will attend the Grand Army encampment. They will leave the city in advance of the main body in order that they may have time to visit relatives in some of the eastern cities before the encampment opens. Mr. Scheid will be accompanied by Mrs. Scheid and some of their children.

Grand Rapids train No. 4 did not reach the city this morning until 5:18, being over four hours late. The trouble was east of Grand Rapids.

Jack Burke, a blacksmith from Geneva, Ohio, took a position at the Bass shops this morning.

A 6x60-foot steel sheet for tile making left the Bass shops this morning for Willoughby, Ohio.

William Scheiman, a molder at the Bass shops, who was injured by being struck by a street car a week ago, reported for work at the foundry this morning.

The Pennsylvania wreck crew has cleaned up the wreckage caused by an accident to a freight train near Lima a few days ago. Of the fourteen cars derailed seven were so badly damaged that they could not be repaired and they were destroyed.

B. W. Shannon, who had a foot injured in the Pittsburgh lumber yards ten days ago, reported for duty this morning.

BEWARE OF THE KNIFE.

No profession has advanced more
rapidly of late than surgery, but it
should not be used except where ab-
solutely necessary. In cases of piles,
for example, it is seldom needed. De-
Witt's Witch Hazel Salve cures
quickly and permanently. Unequal-
led for cuts, burns, bruises, wounds,
skin diseases. Accept no counter-
feits. "I was so troubled with bleed-
ing piles that I lost much blood and
strength," says J. C. Phillips, Paris,

WILL FIX TAX LEVY TONIGHT

COUNCIL TO MEET IN COMMIT-
TEE OF THE WHOLE.

Advance Opinion Seems to Favor In-
crease for Improvements—
City Hall Notes.

The city council has been called to
meet in committee of the whole to-
night to discuss appropriations and
fix the tax levy for next year. The
question of continuing the municipal
light levy will also come in for a
large share of the discussion. Re-
cently the mayor indicated that the
levy should be fixed so as to allow
at least \$40,000 for street improve-
ment purposes, arguing that so long
as the property owners and tax pay-
ers were clamoring for street im-
provements and were willing to pay
the price the city should not stand
in the way of progress in that direc-
tion. The mayor's suggestions have
been taken into consideration and it
is believed that the appropriation
asked for by the board of works
will be provided for. There
will be some objection, of course, in
certain quarters and a "watch dog"
or two may offer opposition, but the
general opinion so far as can be
learned favors the increased appro-
priation. The committee will also
probably sit as a council and make
the appropriation of \$1,000 to the
contagious disease fund asked for by
the board of health and recommended
by the finance committee.

ABOUT THE CITY HALL.
The finance committee met with the
comptroller last night and checked
up the latter's books. They also de-
cided to recommend the appropri-
ation of \$1,000 asked for by the board
of health for the purpose of caring
for contagious diseases.

The board of works held an un-
eventful session yesterday afternoon.
The contract for building sidewalks
on both sides of Fourth street and
for grading the approaches to the
Lake Shore railway on the same
thoroughfare was let to C. E. Moel-
lering & Co., and several sidewalk
contractors' bonds were approved.

Contractor Peter certainly has a
sweet tooth somewhere for white
horses. This morning four addi-
tional teams were put to work and in
each one there was a white horse,
making eighteen white horses in
thirteen teams. Contractor Peter, it
must be known, sports a luxuriant
growth of beautiful Auburn hair,
which may partly account for his
predilection for white horses.

Licenses Officer Tremmel is busy
collecting dog taxes and each morn-
ing hands over to the comptroller a
pocketful of big iron dollars.

Building permits have been issued
to Harry McAfee to build a house on
Crescent avenue, to cost \$1,100; Wil-
liam Whitfield, two houses on Swin-
ney avenue, to cost \$1,500 each, and
A. Lackey, house on Columbia ave-
nue, to cost \$1,000. It will be no-
ticed that Lakeside is trying to
monopolize the late building boom.

PRACTICED AT OTHER BARS

BUT HAD BETTER LUCK IN PO-
LICE COURT TODAY.

Session Was Nearly a Waterhail—
Miner Notes in Police
Circles.

Police court made a waterhail this
morning, only one offender being
before the bar of justice and he got
away. He had been practicing at
other bars where men usually do in-
justice to themselves and get their
sentence out of a black bottle with a
wooden cork. William Kelly was
the prisoner and he acknowledged
that he was drunk when arrested,
said he was sorry and would never
do it again. He is a hardworking
man, with a family to support, and
it was his first offense, whereupon
the judge suspended sentence during
good behavior.

MINOR POLICE NOTES.

The 13-year-old son of George
Jarp, of Knitters avenue, was re-
ported missing from home last night.
The bicycle picked up by Officer
Thomson several days ago was
claimed last night by W. S. Haskell,
of 1223 Calhoun street.

The patrol wagon was called to the
Nickel Plate depot twice last night
to carry away wounded men. The
first was Charles Lotz, a dining car
cook, who was struck by a switch
engine in the yards at Balloune, O.,
and was taken to his home at 203
Fifth street, and the other was Wil-
liam Kelly, a trainman hurt at Lock-
wood, a small station near Ham-
mond. The latter was taken to St.
Jou hospital.

The attention of the street commis-
sioner was called to a dangerous de-
fect in the sidewalk on Dawson
street.

Ed Kleindinst has recovered his
fox terrier "Doc," or rather the dog
recovered himself. He returned

home yesterday afternoon with a
piece of rope attached around his
neck. The wise canine had chewed
the rope in two and made his escape.
Mr. Mautner's dog has been located
and will be recovered by the police
department today.

THE MEDICINE TEST

GREAT FREE DISTRIBUTION
NOW GOING ON.

1,000 Bottles Given Away to Appli-
cants Yesterday—The Chance to
Obtain Free Medicine Ends
at 8 O'clock Tonight.

WE WANT THE WORST CASES TO
BE FOUND SO THAT THE
TEST MAY BE THOROUGH
AND DECISIVE.

All Who are Afflicted With Nervous
Headache, Insomnia or Sleepless-
ness, Hysteria, Chorea or St. Vitus'
Dance, Epileptic Fits or Falling
Sickness, Should at Once Go to the
Office of the Fort Wayne Journal-
Gazette and Get the Free Test
Treatment Which Dr. Lindley Has
Supplied for Distribution.

In yesterday's edition of this paper
we informed our readers of the great
test of Dr. Lindley's cure for nervous
headache, insomnia, chorea and epi-
lepsy, to be made in this city, of
which the free distribution at the
Journal-Gazette office was a feature,
and advised those of our readers in
need of treatment for such ailments
to take advantage of this opportunity
to obtain without cost a supply of
what is confidently claimed to be the
most effective and reliable remedy
known for all nervous diseases char-
acterized by congestion, convulsion or
any kind of spasmodic manifestation.

Promptly at 8 o'clock yesterday
morning the great distribution at the
Journal-Gazette office began. People
who frequently suffer from nervous
headaches, nervous indigestion, over-
worked business men whose cares go
with them to bed and prevent sleep,
children with the constant jerking of
St. Vitus' dance, and quite a number
who are subject to epileptic fits or
falling sickness, made up the total of
1,000 who propose to take advantage
of this favorable opportunity to test
the medicine free. There is consider-
able of the medicine yet on hand and
all sufferers are invited to call and
get a supply before 8 o'clock tonight,
when the free distribution will come
to an end.

In Saturday's paper we spoke of
the doctor's very plausible theory re-
garding these diseases.

If Dr. Lindley is correct in his
views, which are based on over thirty
years' experience in the specific treat-
ment of these diseases, all of them
ought to be cured by the medicine
that will cure any one of them, and
from long and favorable private use
of his remedy the doctor is confident
the great test will publicly establish
the value of the medicine.

The distribution will continue
throughout today, closing promptly
at 8 o'clock this evening. No money
is wanted. Call at the Journal-Gaz-
ette office and get the medicine if
you desire to try it.

Leo Kirby, of Baltimore, Md., is in
the city, the guest of his aunt, Mrs.
Charles Shaw, of 1320 Cass street.

A SAD DISAPPOINTMENT.

Ineffective liver medicine is a dis-
appointment, but you don't want to
purge, strain and break the glands
of the stomach and bowels. DeWitt's
Little Early Risers never disappoint.
They cleanse the system of all poison
and putrid matter and do it so gen-
tly that one enjoys the pleasant ef-
fects. They are a tonic to the liver.
Cure biliousness, torpid liver and
prevent fever. Meyer Bros. & Co.

sic. Price 15 cents.
